PRICE FIVE CENTS

LOCAL SCHOOL HONORED BY \$3,000 GIFT

The Keefeauver Elementary School here was one of five Central Pennsylvania schools presented with a \$3,000 package of visual education equipment by the Harrisburg office of Thermo-Fax Sales, Inc., at a special luncheon held Wednesday at the Penn-Harris Hotel in Harrisburg.

The gift was accepted by Ronald Miller, principal at the Keefeauver School in behalf of the teachers there. Also attending the luncheon were H. Edgar Riegle, Gettysburg superintendent of schools, and Richard A. Folkenroth, elementary education coordinator here.

Dr. Charles Boehm, state superintendent of public instruction, was the principal speaker. An official of the Thermo-Fax company also spoke.

PART OF NATIONAL GRANT

The awards to the five schools in this area were part of a \$1.5 million national assistance grant to education program sponsored by the 3M Company of St. Paul, Minn.

The schools that received the award were selected because of the excellence of their own proposals as to how the equipment would be used if they were selected to receive it. The ultimate goal of the program, it was explained, is that each chosen school will become a teaching laboratory where new techniques can be developed and demonstrated to other schools in the area.

Other schools honored at the luncheon included Trinity High School at Shiremanstown; South Middleton Area High School at Boiling Springs; Bellefonte Area Joint Senior High School and Annville-Cleona High School at Annville.

Each received this 3M equipment award package of the following Thermo-Fax products for permanent installation in the schools: 10 classroom overhead projectors, one portable overhead projector, two copying machines capable of producing projectable transparencies in four seconds; transparency film and copy paper. A training film will be used to instruct all teachers in the use of the equipment.

LARGE CROWD ATTENDS 4TH UNION SERVICE

A large congregation was at the Foursquare Gospel Church, W. Middle St., Wednesday evening for the fourth in the series of Week of Prayer services sponsored by the Gettysburg Ministerium. The Rev. Dr. Howard Schley Fox, pastor of Trinity Reformed Church, preached on the topic "The Imperatives of Jesus."

He said: "Jesus never minced words. He defined candidly the conditions by which we can be saved. He loved man as none other has loved man and the individual disciples and the crowds he spoke to always understood the imperatives he preached to them. It is expected by Him that if we receive the mercy we ask for, we then be merciful to others; if we receive the forgiveness we ask for, we then forgive others. It is imperative that man be born again — born of the spirit."

The service was opened with an organ, piano and accordion hymn recital by Mrs. Lloyd Fuss, Mrs. John Sanders and Miss Bonnie Sanders. The opening prayer was given by the Rev. Harold Myers, host pastor, and Miss Freda Kump led a song service, accompanied by Mrs. Sanders at the piano. The Rev. Mrs. Harold Myers, copastor of the church, led in prayer and read the scripture. A 12-member choir, conducted by Lloyd Fuss, sang two numbers, "I Belong to the God" (Continued On Page 2)

Says He Stole For Narcotics Money

Charles E. Lockner, 35, whose address was listed as New Oxford R. 1, pleaded guilty Wednesday in York County court to two charges of burglary and one charge of larceny.

Lockner told the court he was under the influence of narcotics at the time and committed the thefts to get money to buy narcotics. The court ordered a pre-sentencing investigation and set January 27 for disposition of the charges.

Lockner is serving terms in a state correctional institution for violations of the law in Adams and Franklin Counties.

BOY SCOUTS NAME JUDGE FOR DISPLAYS

A fourth judge for the Scout Week window displays, Charles W. Holtz, Gettysburg R. 1, was selected Wednesday evening at the Black Walnut Boy Scout District Commissioners' meeting in the West St. branch of the Gettysburg National Bank.

Holtz will join Paul Hollinger, district and activities chairman; Crosby N. Hartzell, district commissioner, and Stanley C. Rogers, Scout field executive, as the board of judges to select the prize-winning displays placed by the units during Scout Week. Scout Week will be held February 7 to 13 and the commissioners at their meeting recommended that all of the units under their direction conduct major events during the week, including awards courts, father and son banquets, Blue-Gold dinners and window displays. The judging of the displays will take place Saturday, February 8, and each unit is asked to notify the judges as to the location of its display.

Boy Scout Sunday will be February 9, the commissioners learned and each unit is asked to mark the Sunday by group attendance at church services.

The University of Scouting will be held at the former high school in New Oxford, February 18, 25, March 3, 10, and 17, the commissioners were told. Basic and advanced Cubbing and Scouting programs will be offered, plus a combined basic and advanced Exploring course. The commissioners were asked to encourage every leader in their units to attend the "University."

Preliminary plans were discussed for the district camporee to be held May 22, 23 and 24. Site of the camporee will be decided later.

Plans were also announced for the annual York-Adams Area Council dinner at the Hotel Yorktowne, York, January 29. The commissioners decided to encourage all members of the Scout units to attend Camp Tuckahoe this summer. Registration for the camp near Dillsburg should be made now. District Commissioner Crosby N. Hartzell told the commissioners that a complete Scouting program geared to unit activity will be provided during the summer at Tuckahoe and that in addition any type program that the individual (Continued On Page 3)

JOHN KINDIG PASSES AWAY

John V. Kindig, 80, 402 E. King St., Littlestown, well-known retired dairyman and farmer, died this morning at 6 o'clock at the Brethren Home, Cross Keys, where he had been a guest for about three years.

His death followed that of a distant relative, Samuel M. Keagy, 88, Littlestown, on Tuesday. Both were retired farmers and dairymen and were close friends throughout their lives.

The deceased was a son of the late Henry and Cecilia (Sell) Kindig. He was a life-long member of St. Paul's Lutheran Church and Sunday School, Littlestown, and served a number of terms on the church council. His wife, the former Alta G. Ditzler, died May 9, 1959.

SERVICE SATURDAY

Surviving are two children, Mrs. Roy Rothelmer, Pittsburgh, and Ivan M. Kindig, Littlestown R. 2; nine grandchildren; two sisters, Mrs. Flora Blah and Mrs. Edna Fortney, both of Littlestown, and one brother, Elmer, Raleigh, N.C.

Funeral services Saturday at 2 p.m. at the Little Funeral Home, Littlestown, conducted by his pastor, Rev. Graham T. Rinehart, and a former pastor, Rev. David S. Kammerer. Interment in Mt. Carmel Cemetery, Littlestown.

Friends may call at the funeral home Friday evening.

Goodling; John E. Hostetter, president, and William R. Fisel, treasurer. (Lane Studio)

NOTED CHINESE WOMAN TO JOIN COLLEGE STAFF

Mrs. Joseph Huang Hung, professor of drama at the National Taiwan University, Taipei, Taiwan, Republic of China, will join the faculty at Saint Joseph College, Emmitsburg, for the coming spring semester. Sponsored by the John Hay Whitney Foundation and a Fulbright grant, Mrs. Hung will lecture on the history of Chinese Opera and the history of Chinese Drama.

A recognized authority on eastern and western drama and opera, Mrs. Hung received her B.S. degree in 1937 from Yenching University. In 1939 Columbia University granted her an M.A. in Fine Arts and Education. For the past 15 years she has held a professorship at the National Taiwan University, previously having been a professor of English at the National Kwangsi University and at the National Chiao Tung University respectively over a period of six years. Her travels have taken her to Korea, England, France, Italy and Switzerland, as well as the United States.

Chinese and western dramas and opera form the nucleus of Mrs. Hung's major publications, chief among which are A Treasury of Western Drama, a textbook used in almost all the universities in Taiwan.

OPEN LECTURES

To facilitate sharing her knowledge of the Chinese theater, a virtually unknown art to many Americans, Mrs. Hung will offer some open lectures for students of area colleges and other interested persons in addition to her scheduled courses at St. Joseph's. The lectures will deal with both her fields and will cover ancient and modern Chinese drama.

St. Joseph's will continue its extra-curricular program on the Fine Arts in Oriental Culture on January 11 with the contribution of the Rev. Dr. John Lee, of a lecture-demonstration on oriental music. Father Lee, the official representative in the United States for Fu-Jen University of Taiwan, will demonstrate the use of oriental musical instruments during his lecture, the fifth in a series of eight of the Institute on the Fine Arts in Oriental Culture sponsored by the ESSO Education Foundation.

Mrs. Joseph Kiser Is Buried Today

Funeral services for Mrs. Carol Reather Kiser, 24, wife of Joseph W. Kiser, Biglerville R. 1, who was found dead at her home Monday morning, were held this morning at 10:30 o'clock in the Church of the Abiding Presence at the seminary. The Rev. Dr. Donald R. Heiges, president of the seminary where Joseph Kiser is a student, officiated at the service. Burial was made this afternoon at 3 o'clock in Parkwood Cemetery, Baltimore.

The bearers were John Reese, Robert Hartman, Thomas Hurler, John Jungmans, Douglas Cromer and Ray Sylvester.

BLOOD DONORS

Blood donors at Warner Hospital from Jan. 1-3 were Mrs. Grace Hull, Biglerville, and Clyde Eyer and William Adams, Emmitsburg.

Florida Alumni Hear Dr. Mountain

The Southeast Florida Alumni Club of Gettysburg College held its fourth annual meeting recently in the Galt Ocean Mile Hotel, Fort Lauderdale, Fla., with approximately two dozen persons in attendance.

Among the guests were Dr. Walter S. Mountain, and Mr. and Mrs. Lavern Brennenman, York. Dr. Mountain spoke briefly about the current harmonious relationship of the student body with the residents of Gettysburg. Brennenman spoke on the role of Gettysburg College in the "supersocial sixties."

REV. HARDING PREACHES ON SOCIAL CHANGE

The Rev. Vincent Harding of Atlanta, told a well-filled Zion Lutheran Church Wednesday evening that there is a social revolution going on within the borders of this country and said "We must pray for sight to overcome the revolution and live through it" in his second sermon on "Praying for Sight" in the Fairfield Week of Prayer services.

The Rev. Robert N. Paden, pastor of St. John's UCC, Fairfield, led the worship service and the Youth Choir of Zion Lutheran Church under the direction of Mrs. Otto Kroeger sang the anthem "King All Glorious."

The Mennonite minister said, "The reaction of Adams County to the threat of racial tension revealed our real feelings regarding the social revolution of 1963. Our reaction becomes clearer when we study the terminology used to explain the social revolution whether it be as a Negro movement or an integration movement or it is called a civil rights movement to which legislation is not the answer but time alone will solve. The words we use tell a great deal about our attitude." Pastor Harding said that for those who "accept the healing salve of the Gospel, truth must break in and call us to become a part of the revolution and not just a bystander. The sit-ins, the pickets, the marchers, the demonstrators, cannot wait be (Continued On Page 3)

FIREMEN TO PLACE 40-FT. FLAG STAFF

Gettysburg's firemen at their meeting Wednesday evening approved placing of a 40-foot flag pole at the engine house by the Detra Flag Co., Oaks, Pa., for \$110.

William G. Weaver reported for the committee named at the last meeting of the firemen that the bid had been received and that plans are to locate the new flag pole at the west side of the fire house at the walkway between the engine house and the Troxell building beside the site of the present tablet on the fire house honoring the members of the department who were in the armed forces during the World Wars.

The firemen were told that there is a short flagstaff atop the cupola of the fire house, but that over the years it has weakened and it is feared that a flag waving on the pole atop the cupola would probably break the pole or possibly topple the cupola.

VFW TO GIVE FLAG

An offer by the local Veterans of Foreign Wars post to provide the first flag for the new flag pole after it is replaced was accepted by the firemen "with deep appreciation."

Further plans were announced for the Veterans Firemen's banquet to be held January 21 at 6:30 p.m. at the Elks' home and for the ladies' night banquet to be held February 11, at 6:30 p.m. at the Moose home.

Progress was reported by officials of the 101st anniversary committee.

A standing vote of appreciation was given for three officials whose terms expired as of the beginning of the year: former Secretary William G. Weaver, former Financial Secretary Douglas Knox and former Chaplain William Decker.

LBJ To Ask International Observation Posts Set Up Both Sides Of Red Curtain

By JOHN M. NIGHTOWER
WASHINGTON (AP) — The Johnson administration is drafting a proposal for a system of international military observation posts to be set up on both sides of the Iron Curtain in Europe as a safeguard against surprise attack.

It is understood officials are thinking about proposing 20 to 30 posts on each side at key transportation centers where unusual military activity by either Soviet or U.S. forces might be detected.

NFW PROPOSALS
President Johnson announced in his State of the Union message Wednesday that "we shall make new proposals" on disarmament issues when the 17-nation disarmament conference reopens negotiations at Geneva in two weeks.

Work is going forward on the proposals in the U.S. Arms Control and Disarmament Agency under the immediate direction of William C. Foster, agency director. He is expected to head the U.S. delegation in the round of negotiations beginning Jan. 21.

Officials have said the U.S. proposals will deal with familiar issues in new ways which they hope will enlarge the possibility of agreement with the Soviet Union.

FRANCE TO OBSERVE
Meanwhile, disarmament experts of the United States, Britain, Canada, and Italy are undertaking consultations aimed at coordinating their policies. France, whose chair in the conference is empty because President Charles de Gaulle decided not to participate, is an observer in the consultations.

The Western Allies form one bloc in the Geneva conference, Eastern European Communist countries another and a group of smaller nations the third. The observation posts idea (Continued On Page 3)

HOSTETTER IS NAMED HEAD OF COUNTY SHRINE

John E. Hostetter was elected president of the Adams County Shrine Club at the 18th annual dinner at the Hotel Gettysburg Wednesday evening.

Others elected were: Leroy H. Winebrenner, first vice president, and Fred G. Pfeffer, second vice president. Robert M. Smith was elected secretary, and William R. Fisel, treasurer. The following directors were elected: R. L. Pittenturf, Wilbur C. Varian, Edward C. Zinn, Daniel J. Wolff and Richard Walker.

Orville Orner and Wilmer Bream were elected representatives to Zemo Temple.

The nominating committee comprised: Atty. Eugene Hartman, Roy H. Hammond and S. Blaine Miller.

DEVINE SPEAKS

Congressman Samuel L. Devine, of the 12th Ohio District and a former member of the FBI, was the speaker. He was introduced by Cong. George L. Goodling of the Adams-York-Cumberland District.

The speaker gave a thumbnail sketch of legislative affairs in Washington in which he said that much of the pressures stem from the emergency caused by the assassination of former President Kennedy.

Referring to the tragedy Rep. Devine expressed the belief that the assassination was the work of one man. He said that he had come to the belief, as have most of those investigating the crime, that there is conclusive evidence that Lee Oswald was the assassin of the President.

COMMENTS PARTIES

He paid tribute to the leaders of both parties for closing ranks after the assassination and shaping the immediate course of the nation's business, foreign and domestic, behind President Lyndon B. Johnson. He made a few forecasts on vital legislation now before the Congress.

He predicted that a tax cut will be enacted early in April. It would be retroactive to January, 1964. The very rich and very poor would be affected, but he warned that "you and I in the white collar class should (Continued On Page 3)

EASTER SEAL SALE TO OPEN ON MARCH 1

Directors of the Adams County Crippled Children's Society at their January meeting here Wednesday afternoon ordered a new wheel chair for a crippled girl under their care and announced plans for their annual Easter seal sale to be conducted from March 1 to 29.

Mrs. Harry E. Biesecker, Cash-town, heads the seal again this year. She was chairman last year when a new high was reached in seal sale receipts for the work of the society.

The report of the treasurer, Mrs. George B. Inskip, Fairfield, showed that more than \$550 was spent in the last two months by the society from its Easter seal funds of last year. The expenses included \$95 for shoes for handicapped youngsters, \$60 for transportation of a child to a clinic, \$200 to the Warner Hospital for rent for its treatment center operated one day a week, \$60 to a family sending a handicapped youngster to a special school near Philadelphia and \$144 for a wheel chair.

MISS FEELEY SPEAKS

The president, Mrs. Robert MacAskill, reported the society's membership in the County Council of Community Services had been renewed and a \$5 membership fee paid. She said Miss Ellen Miller and Mrs. John Crawford will represent the society on the council.

It was after a nurse's report was presented that another wheel chair was ordered for a cerebral palsy victim under the society's care. It was estimated the chair will cost \$120. Special shoes for three crippled boys were approved from society funds.

Mrs. Franklin Bigham reported on the work at the treatment center at the Warner Hospital for November and December. She said 13 patients, one an adult, has received a total of 130 treatments in that time. Most of the youngsters there are cerebral palsy patients. On is a polio victim and two have Perthes' disease.

Miss Jean Feeley, a representative of the state Crippled Children's Society, spoke briefly about the role of the county society in services to the handicapped. The next meeting will be held March 11.

Local Boy Will Be In FFA Band

Robert Weikert, son of Mr. and Mrs. Francis Weikert, Gettysburg R. 2, a Junior at Gettysburg High School, has been selected to be a member of the Future Farmers of America Band at the state Farm Show at Harrisburg next week.

The only Adams County student accepted for the band, Weikert, who plays the saxophone, will report to the Farm Show building Sunday afternoon at 1 o'clock for the beginning practices of the band, and will be there through Wednesday night. The band will play for a number of activities and present its annual concert next Tuesday night.

HOME IS STILL INTACT, LOCAL CLUB IS TOLD

"We must change with change, but there are still many stable things to keep in mind in establishing and maintaining our homes. The American home is still basically intact, but the mother must set the tone and spirit of that home," Mrs. John D. Eisenhower told members of the Woman's Club of Gettysburg at their meeting Wednesday afternoon at the YWCA.

In speaking on the subject "To Strengthen the Arm of Liberty Through the American Home," Mrs. Eisenhower pointed out that newspaper and magazine articles, authors and critics often point out symptoms of decay in the American home which affect the country's welfare and backbone; but she asserts that too often these appear so frequently because they make good copy for selling.

"We are faced with many changes—we are in a transition period," she said, adding that 100 years ago her subject may not have been a topic for a talk.

CITES REVOLUTION

"These changes started with the industrial revolution, when for the first time the father went away from the home to do his work." The trend today is to live in suburban areas, which means the father is away from the home more of the time and this places additional strain and responsibility on the mother. Often she feels she is in an isolated world of frustrations, which again causes tension and strain.

Her time is completely filled with the responsibilities and work of a young family, and she is so busy with the routine chores she has no time to use her creative abilities or to follow her professional training. This is the plight of the young married woman today. The older woman is faced with a different problem; it is said it takes 30 years to raise a family and most women are faced with many years of active, productive living after the family has left the home and they have too much time on their hands.

MRS. MAHANNA EXPIRES AT 90

Mrs. L. Florence Mahanna, 90, 152 N. Potomac St., Waynesboro, widow of William J. Mahanna, died at 7:30 o'clock Wednesday morning in the Waynesboro Hospital.

She was born in Adams County and was a daughter of the late Daniel and Sarah A. (Lower) Wirt. Her early life was spent in Gettysburg and following her graduation from the Shippensburg State Normal School she taught for a number of years in Adams County schools.

After her marriage to Mr. Mahanna, they made their home in Gettysburg until 1918 when they moved to Waynesboro. Her husband died in October, 1940.

She was a member of the Methodist Church at Wewkesville and was the last of her immediate family. The only survivors are nephews, John S. Wirt, Gettysburg R. 2, and Arnold W. Wirt, York.

Funeral services Saturday at 1:30 p.m. at the Grove Funeral Home, Waynesboro, in charge of the Rev. D. Perry Bucke. Burial will be made in an Ardenville Cemetery. Friends may call at the funeral home from 7 to 9 o'clock Friday evening.

STOCKS STALL

NEW YORK (AP)—The six-day stock market advance stalled early this afternoon around the level of its latest all-time peak. Trading was fairly active.

Prices were mixed, with most changes small. If Wall Street showed any surprise, it was that prices did not dip in a normal spell of general profit taking. Instead, the list remained on an even keel.

\$250,000 IS REQUIRED FOR TV IN SCHOOL

Educational television in public and private schools, its merit and cost of installation and operation were explained to 27 school administrators, school directors and local business representatives Wednesday evening at a dinner meeting in the Ardenville Elementary School.

Adams County's financial responsibility in providing television instruction to its eight public and parochial schools was discussed by Joseph Wilson, York County superintendent of schools and a member of the South Central Educational Broadcasting Council, sponsors of the nonprofit service, who said that an additional \$250,000 is needed from private sources in the nine-county area to place the program in operation next September.

NEED \$250,000

The state has appropriated \$970,000 for ETV for capital investments on a state-wide basis but funds must be raised by the participating counties to implement the programs in their individual districts.

The South Central area expenditures have been set at \$850,000, \$600,000 of which will be provided by state and federal grants and industrial contributions, leaving a balance of \$250,000 to be raised in the nine-county area.

The cost of sustaining the program after it becomes an operational reality will be approximately \$200,000 a year, Wilson said, "or approximately \$1 per pupil in the nine-county area." School districts subscribing to the service will support the program.

FOUR ZONES

The nine-county area is divided into four zones. They are Adams-York, Lancaster-Lebanon, Cumberland-Franklin and Dauphin-Perry-Juniata. The Adams-York share of the \$250,000 assessment has been set at \$59,000.

SAYS SPORTS PROPER PART OF EDUCATION

"Athletics, rightly taken, are a natural, proper organic expression of the life of the university community," Head Football Coach John Yovicsin of Harvard University said in assembly address this morning in the Student Union Building at Gettysburg College, his alma mater.

Yovicsin, who was football coach at Gettysburg before he took over the Harvard coaching assignment, told his audience that in recent years the role of sports in education has been "on the whole rather controversial" and it has been "difficult to get an answer to the question: 'What kind of program should we have?'"

He continued: "Many people feel that, since sports do not wholly involve the working of the mind, they are not academic and are therefore of questionable value in the academic process. Coaches are prone at times to underestimate both their abilities and their contributions. We are first of all in the only area of education where tangible, immediate results can be discerned. Coaching a boy from his freshman year to his Senior year, and seeing him develop to his capacity provides real teaching satisfaction—and demands real teaching."

REAL CHALLENGE

Turning to intercollegiate athletics, he said, "There is the problem of winning and losing. Is winning important? Of course it is, it is simply un-American to want to lose or to give up. . . . The better you play the game, (Continued On Page 2)

Officers Elected By Friends Of Library

Mrs. Leroy H. Winebrenner was elected president of the Friends of the Library Wednesday evening at a meeting in the Adams County Public Library, High St. She succeeds Mrs. Edwin Killalea.

Other officers named were: Mrs. Austin Fellenbaum, vice president; Mrs. Basil Crapster, recording secretary; Miss Minnie Killingsworth, historian, and Mrs. Earl Schmitt, treasurer. Mrs. Frank N. Hewetson was chairman of the nominating committee and was assisted by Mrs. Roy W. Gifford.

Mrs. Edward B. Bulleit asked for volunteers to mend books at the library, and Mrs. Mary S. Wilson, librarian, said that additional help will be needed to move books to the new stack room when it is completed.

BOND ISSUE ACQUIRED BY FREDERICK CO.

Alex Brown and Sons of Baltimore, represented by A. B. Collins and Dwight Collins of Frederick headed a group of firms which obtained the \$475,000 major Emmitsburg bond issue with a low average interest rate of 3.554 at the bid openings Tuesday morning in the Emmitsburg town hall.

The Collins firm bid in combination with the Legg and Company, Mead Miller and the C. T. Williams financial firms, all of Baltimore, in offering the lowest interest rate on the Emmitsburg water system bonds, which mature annually over a period from 1965 to 1968.

Other bidders on the major bond issue were the Robert Garrett Company of Baltimore, which bid alone on the bond issue, without other firms involved, at a 3.565 interest rate and a combination of Baker, Watts and Company, Stein Brothers and Boyce, all of Baltimore, which offered a 3.81725 interest rate on the bonds.

SECOND ISSUE

A second bond issue of only \$40,000, not interest bearing, was purchased from Emmitsburg by the Sisters of Charity of St. Joseph's College in Emmitsburg. These bonds mature at the rate of \$4,000 per year over a period from 1965 through 1974.

Collins of Alex. Brown and Sons reported that as of noon Wednesday the entire issue of \$475,000 has been sold to institutions and individuals.

The new bond issues cover the expense of retiring the remaining \$180,000 in previous notes obtained by Emmitsburg as a result of the purchase by the town of a previously private water system some time ago.

They also cover the additional expenses required to modernize, improve and expand this water system to serve the growing need of the town.

Among these expenses are \$156,000 for new water mains and valves; \$137,000 for a filtration tank and sediment basin; \$17,000 for engineering costs; \$14,200 for meters, mains and vaults and \$8,000 for inspection and legal fees, totaling \$515,000, the total amount of both bond issues, with the notes retired included.

new high schools were equipped for classroom television reception when they were constructed, but each school would be required to make the necessary investments to become users of the open-channel educational broadcasts, Wilson said. Some of the schools in the area are using televised educational programs which originate in WGLA-TV, Lancaster studios, in specified rooms. Equipment could be purchased in mass quantities to reduce costs to individual schools, Wilson explained.

RATIO OF GOAL

Oscar Johnson, finance chairman for the council, said he was unable to set a figure for Adams County in the \$50,000 assessment for the two counties. However, school records show a total of 13,600 public and parochial pupils in Adams County and approximately 60,000 pupils in York County, an indication of the possible ratio of the goal.

M. Francis Coulson, county superintendent of Adams County Schools, said that 50 per cent of the cost of receivers would be reimbursed by NDEA. He explained, also, that Channel 65, which has been assigned by the FCC to the district, will be an open channel and that the classroom programs could be received on home sets on UHF tuning.

OTHER ETU USES

"In addition to in-school instruction, college and professional courses could be televised which would provide additional uses for ETU," he said. "Housewives who want to take extra courses would be able to participate without leaving their young families. Professional people could take 'refresher' courses in their fields. Skilled workers could study new skills without loss of time from their regular jobs."

Coulson emphasized, however, that ETU would not reduce the number of teachers in local schools, but instead "will provide specialized education in our classrooms and supplement the talents of the regular teachers." He said that the only possible reduction in teacher personnel will be that of "certain specialized teachers," since the program would provide this type of instruction from the broadcast studios.

SEEK RESPONSE

School directors and administrators were asked by Coulson to indicate the interest in their individual districts as soon as possible in an effort to determine Adams County's support of the program. If sufficient school and community interest is evidenced a fund campaign will be conducted within the county.

Wednesday's informational meeting was arranged by Coulson; H. Edgar Reigle, Gettysburg, and Donald B. Hudson, Upper Adams, supervising principals.

The Women's Missionary Society of the First Baptist Church met Tuesday evening at the home of Mrs. Esther Johnson, Seven Stars. Following the business meeting, Mrs. Neva Mallow presented a program on "Christ, the Lord of My Life," emphasizing self-dedication. The study of the book "Man Reaches Out to God" was continued by Mrs. Edgar Shanks. Mrs. Ollie VanDyke conducted devotions. She also sang a solo. Refreshments were served by Mrs. John Carpenter and Mrs. Fred Neal.

St. Francis Xavier Girl Scout Troop 786 held its first meeting of the year in the red room of Xavier School Tuesday, opening with a flag ceremony and repetition of the Promise and Laws. A "Scout's Own" was held on the theme "I Know Something Good About You." Betty Harding, president, conducted a brief business meeting at which a letter from the senior troop was read, inviting the cadets to the capping of the Senior Scouts to be held January 14 at 7 p.m. in Xavier Hall. Court of Honor was held, at which time plans were made for spring activities, the first of which will be a roller skating party January 21. The girls worked on the Marian Award under instruction by the consultant, Mrs. Romeo Capozzi. Other adults present were Mrs. Lawrence Eckert Jr. and Mrs. Hallette Harding.

The first session of bridge this year at the Gettysburg Country Club will be held Monday afternoon at 1:30 o'clock.

Mr. and Mrs. Fred G. Pfeffer, Baltimore St., are observing their 33rd wedding anniversary today. Pfeffer is Republican state committeeman.

Mrs. Ralph D. Helm, president, entertained the new officers and committee chairmen of the Gettysburg Garden Club of the YWCA at a coffee hour on Wednesday morning at her home on Hay St. A business session followed the coffee hour and included an outline of programs for the coming year as arranged by the program chairman, Mrs. J. Van Cleve Lott. Officers and committee reports and suggestions were heard and discussed.

The Garden Club will meet at the YWCA on January 23 at 7 p.m. The program will be on "Spring Blooms in Wintertime." The program will include directions for forcing spring flowers.

The religious emphasis committee of the YWCA, Mrs. Nicholas Meligakes, chairman, will meet Friday afternoon at 12:30 o'clock at the Y. The executive committee of the board will meet at 2 p.m.

One Way To Cure Dog Nuisance

HAYWARD, Calif. (AP) — John Yoltos has struck back with electronic vengeance.

A few months ago, Yoltos complained to Hayward police that dogs owned by next-door neighbor Dominic Magri were disturbing him with their howling and barking. Nothing happened.

So Yoltos tape-recorded the dog's noises.

At 3 a.m. night after night, he played them back at full volume from a window facing the Magri home.

The Magri dogs don't bark when the tape recorder plays. They listen to the recording of their own barking.

Now Magri has complained to police. Not to get Yoltos arrested, he explains, but "just to set the record straight."

Engagements

Hobbs-Stultz

Mr. and Mrs. Sterling Stultz, Fairfield R. 2, announce the engagement of their daughter, Cecilia Margaret, to Edgar Felix Hobbs, son of Mr. and Mrs. Charles Hobbs, Fairfield. Miss Stultz is a 1960 graduate of Gettysburg High School and is employed at the Emmitsburg Manufacturing Company. Mr. Hobbs is employed by his father.

Sanders-Fishel

Mr. and Mrs. Stuart J. Fishel, 117 W. Highland Ave., Spring Grove, have announced the betrothal of their daughter, Nancy Lee, to Kenneth Raymond Sanders, son of Mrs. Cora Sanders, 337 Main St., McSherrystown, and the late Raymond Sanders.

The prospective bride, a 1962 graduate of Spring Grove Senior High School, is employed by York Telephone and Telegraph Company. Her fiancé, a 1960 graduate of Delone Catholic High School and of Thompson College, York, is employed by Penn-Mar Foundry, Hanover.

Eisenhart-Haverstock

Donald Haverstock, New Oxford, has announced the engagement of his daughter, Miss Donna Marie Haverstock, to Jeffrey Eisenhart, son of Mr. and Mrs. James R. Eisenhart, East Berlin.

Miss Haverstock is a senior at New Oxford High School. Her fiancé graduated in 1962 from Bermudian Springs High School and is a barber in York.

Pittinger-Boone

Mr. and Mrs. Ora Boone, East Berlin, have announced the engagement of their daughter, Miss Linda Kay Boone, to Arthur Richard Pittinger, grandson of Mr. and Mrs. Richard Musselman, Hanover.

Miss Boone graduated in 1962 from Bermudian Springs High School, and is associated with Fischer Insurance Agency, Hanover.

Her fiancé is an employee of W. R. Burns, Hanover plumber. The wedding is planned for Easter.

Martin-Miller

Mrs. D. E. McKelvey, Waynesboro, announces the engagement of her daughter, Mrs. Josephine Miller, to Nicholas Martin of Williamsport R. 2.

Mrs. Miller is the cook at the Sigma Nu fraternity house at Gettysburg College.

Martin is plant supervisor of Potomac Farms Dairies of Hagerstown.

A wedding date has not been set.

Dale Musselman, Adams Native, Dies

Dale Musselman, 35, Philadelphia musician who was a native of Fairfield, died at 10:30 o'clock Wednesday night in County Hospital at San Diego, Calif., where he was on tour with an orchestra. He had suffered a heart attack a month ago. A second attack caused death.

Mr. Musselman, whose orchestra, "The Frank Moore Four," had gone to San Diego, from an engagement at Las Vegas, was a son of the late Clyde and Carrie (Spangler) Musselman. After his father's death in 1939, Clyde was graduated from the Hershey Industrial School and then joined an orchestra. His mother died here suddenly last October.

Surviving are his widow, Belle, and three sons, residing in Philadelphia, and a sister, Mrs. Marian Mosseau, Morrisville, N. Y.

The Wilson Funeral Home at Fairfield is in charge of arrangements which are incomplete. Burial is to be in Fairfield Union Cemetery.

Dr. Aberly's Will Placed On Record

The will of Dr. John Aberly, who died December 12 at the Pape Convalescent Home at the age of 96, was entered for probate Wednesday at the register and recorder's office.

A grandson, Dr. Harold A. Dunkelberger, E. Lincoln Ave., was named executor of the "in excess of \$10,000" estate.

The will provides a \$250 bequest to Mrs. Ruth Fritz, of Point Pleasant, Va., as a token of esteem for her mother who cared for the Aberly children while Dr. and Mrs. Aberly were missionaries to India many years ago; a \$200 bequest to Mrs. Annie Williams, and the remainder is divided into three parts, to go to the son, Fred H. Aberly, Hickory, N.C., and two grandchildren, Dr. Dunkelberger and Mrs. Stanley L. Witson, Elkins, W. Va.

SERIES ENDS SUNDAY

There were 250 present, the largest congregation of the series to date, half of whom were members of the Four Square Church.

The service this evening will be held at Trinity Reformed Church at 7:30 p.m. when the Rev. Donald L. Harper, pastor of the Memorial EUB Church, will preach on "Prescription For Power." The Friday evening service will be at the Presbyterian Church with the Rev. Robert W. Koons preaching on "The Censorship of Prayer."

There will be no service Saturday but the series will close Sunday evening at the Christ Lutheran Church, with the Rev. Donald H. Treese preaching on "Prayer and Common Sense."

Put Social Security Number On Forms

Social Security numbers are required to be entered in the space provided on page one of your 1963 federal income tax return, District Director Kenneth O. Hook of the U. S. Internal Revenue Service cautioned taxpayers today.

Sometimes husbands and wives filing joint returns neglect to enter both their Social Security numbers when both have income, Hook pointed out.

He urges taxpayers to check this entry carefully, as the law provides that the numbers be placed on the returns.

Call Veterans' Meeting Monday

Barracks 2974, Veterans of World War I, will hold an open meeting for all veterans of that war Monday evening at 8 o'clock at the VFW Home, E. Middle St.

Officials of the organization said it was decided to invite all non-members as well as members to the meeting because of plans to present a report at that session of progress on efforts to obtain congressional action on a proposed World War I veterans' pension bill.

Other business scheduled for the meeting will include the appointment of committees for the coming year and reports on various matters pertaining to the welfare of World War I veterans.

PARKED CAR DAMAGED

Cleo A. Ewing, 261 Baltimore St., reported to borough police at 3:10 o'clock Wednesday afternoon that some object had scraped the side of Ewing's 1963 car from one end to the other while the auto was parked on the first block of Breckenridge St. the prior night. Ewing said the scraping did not appear to have been done by another motor vehicle.

BAD ALLEY REPORTED

Borough police received a report from Morris DeSimon this morning at 10:35 o'clock that the alley to the east of S. Washington St. and rear of the offices of Dr. Williams and Allison was collapsing and presented a danger to traffic. Borough Engineer LeRoy Weinbrener was asked by police to investigate.

ASPER SERVICES HELD

The funeral of Mrs. Marietta (Fred) Asper, 83, widow of Dennis C. Asper, formerly of Aspers, who died Sunday in a convalescent home in Chestnut Hill, Philadelphia, was conducted Wednesday afternoon at 2 o'clock from the Peters Funeral Home, Carlisle St., with the Rev. Gerald D. Kauffman, pastor of Grace EUB Church, Carlisle, officiating. Interment was made in the Bendersville Cemetery. The pallbearers were Earl Crum, Ralph Jessup, James A. Warner, James E. Warner, Glenn and Robert Weiland.

JAMES L. HAYES WILL SPEAK AT SAINT JOSEPH

James L. Hayes, dean of the School of Business Administration, Duquesne University, will lecture at the sixth annual mental health meeting to be held at Saint Joseph College, Emmitsburg, January 18, it was announced today by Sister Aloysia, head of the division of nursing. "Mental Health and Problem Solving" will constitute the theme of the program sponsored by the division of nursing under a grant from the United States Public Health Service, National Institute of Mental Health.

Dean Hayes will discuss "Creative Problem Solving" and "Brainstorming — Its Pros and Cons" at morning and afternoon sessions which will be followed by a question-discussion period.

Registration will take place at 9:30 a.m. in DePaul auditorium, followed by a brief welcome by Sister Rosemary, president of the school, and the opening lecture at 10 a.m. by Dean Hayes.

Hayes, who conducted a faculty workshop and a mental health program on "Pressures in Management" in 1960 at Saint Joseph's, was educated at St. Bernard's College, Rochester, N. Y., and received his master's degree at St. Bonaventure University. He is editor of the Catholic business education "Review," and principal lecturer of the American Management Association Management Course, Unit III.

Invitations for the program are extended to colleges, nursing schools, and public and mental health agencies in the area. Interested persons are asked to contact Sister Aloysia, Division of Nursing at Saint Joseph College.

"WITHIN MY TEMPLE"

In my heart there is a temple . . . where the doors are open wide . . . when I am inclined to worship . . . I can always go inside . . . there is peace within my temple . . . and tranquility sublime . . . with a clear and contrite conscience . . . I can find reason and rhyme . . . God abides within my temple . . . just as long as I am good . . . filling me with understanding . . . and a wealth of brotherhood . . . if I stray from righteous doing . . . then my temple doors close tight . . . but they welcome me to enter . . . when through faith I see the light . . . I have prayed in many churches both the . . . spacious one and small . . . but I know within my temple . . . God will answer every call.

Select Eleven For '64 Edition

Eleven seniors have been named to represent Saint Joseph College, Emmitsburg, in the 1964 edition of "Who's Who in American Colleges and Universities," it was announced today by Sister Margaret Hughes, dean of studies. They were chosen from the largest senior class in the history of the college. Last year's representation included six students.

The new members, selected by vote of faculty and senior class, are the Misses Judith Arnold, math major, Bridgeport, Conn.; nursing major Linda Bowman, Washington, D. C.; Judith Brown, chemistry major, of Arlington, Va.; English major Ann Casey and social studies majors Carol Hammond and Claire Maurer, of Baltimore; Joyce Hillner, nursing, Irvington, N. J.; Jacqueline Jermyn, chemistry, Brooklyn, N. Y.; Heather Laird, York, Pa., social studies major; Betty Ross, English, Bridgeport, Conn., and Kathleen Troilo, biology major, of Brandy Station, Va.

Selection to Who's Who is based upon scholarship leadership, service to the college, and promise of future usefulness to business and society, according to Sister Margaret.

HOME IS STILL

(Continued From Page 1)

brought about many changes—it is not considered improper for a woman to have a job outside the home; a divorce no longer has the stigma attached to it which it had many years ago; with the increased use of psychiatry and psychology, we are being made to doubt whether we are right in the way we are handling our children.

HOME PROBLEM

Many experts are doubting the value of a college education for women, and say women would be more satisfied if they had less education, or were educated only in the art of homemaking. Mrs. Eisenhower stated she feels "in the long run, a good education will make a woman a better mother; but she must have the maturity to see that being closely confined to her home and the responsibilities of a young family will be her problem for a few years."

In the matter of working outside the home, she pointed out that some authorities now suggest that a woman should select a profession and train for it as a man does, taking time out to have her family, then continuing with the work. "This is perhaps a good idea for those who know at an early age what they want to do, and are genuinely devoted to a profession; but this is the exception," Mrs. Eisenhower stated that a working mother must realize she must be able to come home from work and still have the energy to do the planning of a birthday party, or the extra planning and decorating that are a part of the holidays.

RELIGIOUS TRAINING

"Our children are out in the community a great deal," she said. "The mother should get out into the community and find out what is going on. She should help her children get a true value on the worthwhile things." Some other stable things a mother must keep in mind include a basic religious training in the home; an effort to make the homemaking courses in our schools better, teaching not only the routine things which must be faced, but including such creative and enjoyable things as entertaining, interior decorating, gourmet cooking, gardening, etc. She also suggested the promotion of a family living course, with care in the selection of the person who is to teach it.

Mrs. Eisenhower pointed out that Gettysburg is an ideal place to raise a family and contrasted it with the situations in the large urban and suburban areas. "There is a stability to the town; there

are people in all economic circumstances, with all levels and kinds of professions represented; there is generally a very good environment, with a high percentage of women being homemakers and interested in making their homes better; there are fewer influences outside the home; there is a community spirit which is not found in larger areas, where in a very short distance from his home a person is unknown, and has the feeling he can do whatever he wishes since nobody knows him."

MRS. LONG SINGS

Mrs. Eisenhower was introduced by Mrs. Arnold Paparazo, chairman of the Home Department, which sponsored the program.

Mrs. David Long sang "Home," a Lutheran hymn "O Blessed Home," "Bless This House," and "God Bless America." She was accompanied by Mrs. Scott Moorhead.

Mrs. Lee Hartman presided at the business meeting. A letter was read thanking the club for its contribution to the "Meals for Millions" project, sponsored by the General Federation of Women's Clubs. Mrs. Howard Hartzell introduced Mrs. Hallette Harding as a new member.

Mrs. Hartman announced that the club will serve the tea at the January 27 meeting of the Annie M. Warner Hospital Auxiliary, and named the following committee to act as hostesses: Mrs. G. W. Lefever and Mrs. Howard Hartzell, cochairmen. Mrs. Paul Spangler, Mrs. Harold Schuh, Mrs. Charles Black, and Mrs. Milton Tipton. Any member who wishes to donate cookies for the tea should contact one of these members. Mrs. Lefever announced that if more cookies are donated than are needed for the tea, they will be sold with the proceeds going to the auxiliary.

CHRISTMAS PROJECT

Mrs. Wilmer Bream, chairman of the Welfare and Gerontology Department, reported on the work done during the Christmas season.

Each member was invited to make a contribution to the fund to finish the base at the Statue of Liberty, which is to include the American Museum of Immigration. A letter from Mrs. Dexter, Otis Arnold, General Federation president, indicated that, if each member of the federation would give 10 cents, the work could be completed.

Mrs. Mark K. Eckert, first president of the Woman's Club, and Mrs. Lefever, immediate past president, presided at the tea table. The hostess committee included Mrs. Harold L. Ecker, chairman, Mrs. Charles Coffman, Mrs. Bertha Culp, Mrs. Kermit Deardorff, Mrs. Mark A. Eckert, Mrs. Edwin Minter, and Mrs. Lawrence Oyster.

not expect too much relief from the bill."

He predicted that some form of civil rights legislation would emerge, perhaps early in February. The fate in the Senate, which has the filibuster privilege, is uncertain and few can speculate as to what extent the demands of civil rights supports would be granted.

OTHER SUBJECTS

The congressman spoke of the proposal for medicare under the Social Security law. This has become an emotional issue, and he referred to the almost pathetic pleas from old people of the nation for help through medicare. Congressmen are flooded by these appeals, he said. He made no forecast as to the probable result of the new proposals.

The congressman made brief reference to other issues now facing Congress and in commenting on President Johnson's State of the Union address, he gave the opinion that if the President's intention to reduce the budget \$98 billion is realistic, he feels sure that the President would receive help from the Republican side of the aisle, in putting through the tax cut bill.

Among the visitors were: J. Edwin Weigle, illustrious potentate; J. Herbert Raymond, chief rabban; Charles E. Snyder, assistant rabban; Robert A. Wagner, recorder; Harold McCormick, and Donald Jenkins, representative to the Imperial Council; past potentates: Paul R. Swab, John Eshelman, Frank Evans, Richard Wampler, T. Dale Taylor; William Buris, entertainment chairman; Joseph Statteman, Earl Blizzard, Ross McGaliger, chairman of housing for Imperial Council; Warren Seitzer, representative, York County Shrine Club; Nelson Shue, photographer.

has been talked about by both Russia and the United States for several years. U.S. policymakers consider it one of the most hopeful possibilities and one which would contribute substantially to a further reduction of tensions and war fears in the world.

Present U.S. thinking, pending final decisions by the President, is that the observation post plan should provide for U.S. and Soviet military observers on both Soviet and U.S. territory with the participation of officers from other countries, as might be desirable depending on the other territories involved.

AT COLLEGE FRIDAY

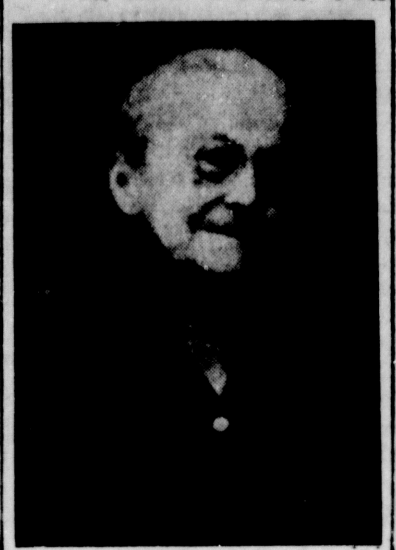

The Atlanta Mennonite Peace Corps representative said, "Christians must pray to see that it is not black against white but a brotherhood, not civil rights but justice."

Following his presentation there was a lively question and answer period.

This morning at 10 Pastor Harding met with the women of the community in the Lutheran parish hall for a "coffee klatch." Rev. Alfred Gotwalt, EUB pastor, was in charge of the discussion and Pastors Paden and Kroeger served the women coffee and doughnuts.

The services continue this evening in Zion Church at 7:30 o'clock with the Rev. James Leshner, pastor, Iron Springs Brethren in Christ Church, leading the worship and the Senior Choir of the

He also will speak at Christ Chapel, Gettysburg College, Friday morning at 10:50 o'clock at the morning chapel service. The public is invited to both tonight's and Friday morning's services.

TO OBSERVE SCOUT WEEK

Plans for a number of activities during Boy Scout Week were outlined for the members of Boy Scout Troop 79 of St. James Lutheran Church at a meeting Tuesday of the troop committee.

Chairman M. I. Bergdale reported that plans call for a window display showing details of Scouting, a parents' night with a covered dish supper and presentation of awards, and, if permission can be obtained from the borough, a flag raising and lowering ceremony in Lincoln Square. All of the events will be held between February 7 and 13 dates to be announced in the near future.

Bergdale said the committee expressed its appreciation to the people of the town and surrounding areas for a "very successful" paper drive and added, "If we missed anyone the paper will be picked up if they call 334-3675."

Plans were made to take the troop on a toboggan ride as soon as weather permits. Other plans include a bake sale February 15; a weekend encampment at Camp Tuckahoe, near Dillsburg in March; a troop hike in April; attendance as a troop at the Black Walnut District Camporee in May; participation in the Memorial Day parade; a visit to Lettensky Army Ordnance Depot on Armed Forces Day in June and a weekend encampment at Camp Tuckahoe in July.

The committee voted to permit reorganized Explorer Post 79 to use equipment of the Boy Scout troop until the post has sufficient funds to purchase its own equipment.

TWENTY YEARS AGO

Leroy H. Winebrenner is appointed Street Commissioner, Engineer: Re-electing all council officers and employees with the exception of J. A. Tawney, street commissioner for the last 19 years, who was not an applicant, the borough council handed out "cost of living" pay raises to full time employees with the expectation that the higher pay will not require a tax increase.

Borough Engineer LeRoy H. Winebrenner was named street of sewers and borough engineer at a total salary of \$150 per month under a rearrangement of duties in the highway department that council said will "save the town money."

H. M. Oyler, senior councilman from the third ward, was re-elected president of council for his second two-year term as council opened its biennial Burgess Fred G. Pfeiffer presiding temporarily.

Justice of the Peace John H. ough treasurer at his former salary of \$250 per year and was directed to renew \$5,000 bond. Councilmen named Wilmer Drachra borough secretary for another two-year term and continued his salary at \$300 per year. All of the council officers were elected by unanimous vote.

R. B. Shade is Minister of Music At St. James Church: Announcement was made today by the Council of St. James Lutheran Church of the election of Richard B. Shade as minister of music. He will succeed Mrs. Carrie Pretz, who served as organist and choir director "capably and faithfully" for twenty-five years.

Mr. Shade graduated from Derry township high school in 1930. He attended Susquehanna university and graduated in 1934 with a bachelor's degree in music. He took post graduate work in organ at Susquehanna in 1934, 1937 and 1938. He studied theory, piano and music education at the Eastman School of Music in Rochester, New York, in the summer of 1939. He was a student at New York university in the summer of 1940 taking courses in piano and advanced choral and orchestra conducting.

For the past six years, prior to coming to Gettysburg to serve as supervisor of music in the public schools, he was supervisor of music in the Derry township schools. During that time he lived in Lewistown and was active in musical affairs. He conducted the Lewistown Symphony orchestra and was minister of music in Grace Evangelical church for seven years.

Mr. Shade will assume his position at St. James this week, meeting with the choir for the first rehearsal Friday evening at 7 o'clock. He will preside at the console for both services on Sunday.

C. H. Musselman, One of Largest U. S. Cannery, Succumb: Christian High Musselman, 63, founder, president and general manager of the C. H. Musselman company, largest fruit processing firm in the east and possibly in the nation, died at his home in Biglerville Thursday afternoon at 1:10 o'clock. A heart condition which had kept him from his office for the past year caused death. Mr. Musselman, his father and brother, who later disposed of their interests in the enterprise to him, developed a \$10,000,000 fruit processing industry that has three plants in this state and West Virginia employing hundreds of persons. The plants alone cover 50 acres while the company owns nearly 1,000 acres of producing land, most of it in bearing fruit trees. Born near New Holland, Lan-

Today's Talk

TOO MUCH SOLITUDE

A little solitude is an essential. It helps one to gather up the loose ends of one's development, and set one upon a clearer and straighter track. Solitude is good for meditation and prayer, as well — at least at some portion of the day. But to be too much alone is to allow too much consumption of one's precious substances.

We need contact with the world, with those of all sorts about us, and a moving about to gain knowledge that is forever awaiting us wherever we go. Too much solitude creates moodiness and self-pity, and gives to sorrow, disappointment and resentments so free a reign that the soul is starved. We need the buoyancy and gaiety of friends — laughter, the voices of children, and the joyous songs of birds in nature to keep the reality of "God's in his heaven, and all's right with the world," ever with us.

Distances, nationalities, and peoples, are more and more being brought home to us, not as mere things to study about, but to make a part of our life and education. The world is rapidly shrinking into compactness. Let us hope and pray that it is being concentrated into a human family of trustfulness, devoid of the tragic hatred and jealousy, pride and greed, that have made wars such a horror of fearfulness and terror. Not merely "the Century of the Common Man" but many centuries of all men, working together for the best and happiest good of all.

The world is fast waking up to the truth that even a Nation cannot have its own solitude, and isolation, without harming its ideals and worthy purposes. This world is big enough to serve all through friendly and decent cooperation. It is big enough to arrange justice for all, regardless of race, color, or individual inclinations.

A finely selected library is a wonderful thing to have in one's home — but there is a greater library outside one's door, across the open fields, at the seashore, and in the vast forests, about which there yet remains undiscovered secrets and knowledge that the wisest have yet to learn.

Just Folks

BEFORE THE WEDDING

Be good to her, not in the trivial sense
Of utter disregard of all expense;
Not with that cruel kindness which believes
The purse can set her smiling when she grieves,
But in that wider meaning of the word
That never shall her faith in you be slurred.
Be good to her — from day to day be just
Because you wish to, not because you must,
You take her life to glorify or mar.
Her happiness depends on what you are.
And though you lavish on her all your self,
'Tis all in vain unless you give yourself.
Be good to her, I ask than ban this no more —
That side by side you'll brave what lies before.
You cannot keep the touch of grief away,
Nor shut the door to sorrow's bitter day,
But you can say — for this — you've power to do —
That no great hurt shall come to her through you.

Preaching Mission Will End Tonight

The 1964 Littlestown preaching mission will close with the service this evening at 7:30 o'clock in Redeemer's United Church of Christ. The sermon, on the subject "The Christian and New Life," will be delivered by the guest missionary, the Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church. The Rev. Graham T. Rinehart, pastor of St. Paul's Lutheran Church, will preside. The public is invited to attend and the local Lions Club members will be present in a body.

Cub Pack 84, Boy Scout Troop 84, Explorer Post 84 and their adult leaders were present in uniform as a group at the preaching mission service Wednesday evening in Redeemer's Church. The Rev. Mr. MacAskill spoke on the subject "The Christian and the Church," based on the scripture from Hebrews 12:1-11. He said, "We need a more dynamic witness to our faith" and urged his congregation to "know what we believe." A vocal duet was sung by Mrs. Fred King and Glenn E. Unger of St. John's Lutheran Church Choir, accompanied by Mrs. Jay D. Basehoar, St. John's organist. The Rev. William C. Karns, pastor of St. John's Church, was liturgist.

LADIES' AID MEETS

Mrs. Roger Bair was in charge of the program at the meeting of the Ladies' Aid Society of St. James' United Church of Christ on Tuesday evening at the church, along the Harney Rd. The responsive reading was followed by group singing, accompanied by Mrs. Nadine Sentz. Readings were given by Mrs. William Fissel, Mrs. Jesse Slick, Mrs. John C. Chatlos, Mrs. H. Allen Walker, Mrs. Roger Bair and Mrs. George Yealy. Miss Kathryn Staley, secretary, gave her report. Refreshments were served to the group by Mrs. Zona Harner, Mrs. Wilbur Danner and Miss Grace Spangler. The date of the February meeting of the society will be announced later.

Meeting Held By Lutheran Women

Mrs. Harry O. Harner, Lumber St., was hostess to the Lutheran Church Women of St. John's Church for the monthly meeting held on Tuesday evening following the community preaching mission service. There was a song service and devotions were in charge of Mrs. Albert M. Starnier, leader. The topic, "A Southern Asia in Lutheran Orbit," was discussed by Mrs. Starnier, Mrs. Dale W. Starry, Mrs. Harry W. Badders and Mrs. Robert V. Weaver.

Mrs. Starry, president, presided and heard reports from Mrs. William C. Karns, secretary, and Mrs. George Trump, treasurer. The 1964 budget was approved and adopted. Plans were made for the annual community World Day of Prayer service. Mrs. Trump will be leader for the next meeting on Tuesday, February 4, at the church. The leaders will be Mrs. Starry and Mrs. Starnier.

Catholic Women To See Cancer Film

In conjunction with the national Council of Catholic Women's Project "Conquer Uterine Cancer," a film will be shown at the meeting of St. Aloysius Parish Council next Wednesday, January 15, at 8:45 p.m. in the parish hall. All women of the community are invited to see the film which will be informative and which urges women to have routine cancer check-ups. Mrs. Henrietta Blocher, Gettysburg, Adams County cancer chairman, will show the film, which is entitled "Time and Two Women." The committee in charge includes Mrs. Thomas G. French, chairman, Mrs. Robert Long, Mrs. Thomas Collins, Mrs. Noah C. Snyder, Mrs. George A. Kress, Mrs. Henry Redding, Mrs. Thomas L. Cookson, Mrs. Richard Schuchart, Mrs. Burnell Keagy, Mrs. Raymond Stagle, Mrs. Ralph Steick, Mrs. James Collins, Mrs. Raphael Klunk, Mrs. Jean Clapsaddle and Miss Alda Cool. The January business meeting will convene at 7:45 p.m.

3 NEW MEMBERS

Three new members, Mrs. Malcolm B. Shade, Mrs. Harry L. Snyder and Mrs. Paul Althouse, were welcomed at the monthly meeting of the Mason and Dixon Homemakers on Tuesday evening at the home of Mrs. R. Guy Linn, Littlestown R. 2. Mrs. Joann Ketterer, assistant home economist of Adams County, discussed the topic "When You Entertain." Mrs. Charles F. Gouker was a guest. The club will meet again on Tuesday, February 4, at 7:30 p.m. at the home of Mrs. Thomas E. Craig, near town. Mrs. Wade Brown will present the topic "Meals in a Minute."

'Draft Lodge' Unit Moves To Capital

BOSTON AP)—A committee to draft Henry Cabot Lodge for the Republican nomination has moved its office to Washington after running afoul of a Massachusetts law. The committee's headquarters in Boston closed Saturday after Secretary of State Kevin H. White ruled the law required that Lodge agree to use of his name in such a committee's title. No such assent has come from Lodge, the U.S. ambassador to South Viet Nam.

Post Sued For \$2,050 Million

PHILADELPHIA (AP) — Lillian Reis, one-time dancer and former night club owner, has filed a suit seeking \$2,050 million in damages from the Saturday Evening Post.

In the action filed Wednesday against the Curtis Publishing Co. magazine Miss Reis charged that she was maligned by an article in the magazine's Oct. 26, 1963, issue. She also charged the article appeared without her consent and as a result the sale of her impending biography has suffered.

She also charged the photographs with the article violated the ordinary decency of the community. Miss Reis is awaiting retrial this month in Pottsville, Pa., on charges of conspiracy in the 1959 burglary at the home of coal operator John B. Rich. The first trial ended in a hung jury.

Bullets Shellac Mules
78-61 For Sixth In Row;
Freshmen Also Triumph

Hitting on 88 per cent of its shots from the field in the first half, Gettysburg College rolled to its sixth straight victory by turning back Muhlenberg 78-61, Wednesday evening at Allentown before 1,300 fans.

Don Szegda and George Strouse got the Bullets off to a quick 3-0 lead but the Mules caught fire behind the shooting of Gary Spengler and Ken Butz. The host team duo pushed the Mules into a 10-7 lead with 6:04 gone by in the game. Chris Sirms and Butz exchanged goals at the 13:13 mark. At the 12:56 point in half Sirms landed a jumper followed by Kepner's goal and another jump shot by Sirms and Gettysburg led 15-12 with 12:10 to go in the half. The Bullets never lost the lead although they were threatened late in the initial half.

With 1:40 to go in the first 30 minutes, Spengler, John Linnet and Bill Jones forged through 10 straight points to cut Gettysburg's lead to 40-34 at intermission. Sirms, Kepner and Strouse landed 14 of 22 shots in first half and the team finished with 17 for 29. The Bullets also missed but two of eight free throws in the first 30 minutes. Muhlenberg landed only 10 of 33 shots in the first half.

TAKE COMMAND
Both teams alternated goals and fouls during the first nine minutes of the second half. Once again the Bullets broke loose as Szegda started a barrage of points at the 10:55 mark. At that point Gettysburg moved to a 61-44 lead and was never in any danger the remainder of the game. Coach Bob Hulton cleared his bench with seven minutes to go and the reserves preserved the margin.

Five Bullets hit for double figures with George Strouse netting 20 and Chris Sirms hitting for 14. Bill Jones paced the Mules with 23 tallies. Roger Gaechler topped all rebounders with 12 while Roger Stuhlmiller grabbed nine for Muhlenberg. Once again Gettysburg won out in the battle under the boards, 53-46.

John Carpenter's Gettysburg freshmen had an easy time bringing their season record up to 4-3 as they walloped the Muhlenberg JV's 52-30 in the preliminary battle. Steve Satir and Ray Faccan paced the Little Bullets with 23 and 21 points respectively. Jon Gehris netted eight for the losers.

FACE BUCKNELL
Both Gettysburg teams will journey to Lewisburg Saturday night to tangle with the respective Bucknell University squads. Gettysburg turned back Bucknell earlier 59-57 while the Frosh will be out to avenge a 61-47 setback of the Little Bisons.

ADVERTISE IN THE TIMES

PAYROLL FOR TWINS TO STAY AT HIGH LEVEL

MINNEAPOLIS (AP)—Ask any businessman where a 43 per cent hike in the salaries he pays to his employees would put him financially and chances are he'll tell you it would put him on the poor farm.

Not so the Minnesota Twins boss, Calvin Griffith. He's seen his ball players' salaries shoot up that much in the past four years, and few businesses are on more firm financial ground than the Minnesota Twins Baseball Club Inc. of Bloomington, Minn.

Griffith's player payroll has risen from around \$350,000 annually, when the club was moved here from Washington after the 1960 season, to about \$500,000 for 1964.

The reason, Griffith says, is that the Twins "have got a lot more star ball players than we had in Washington."

It's the price the club is paying for success, both on the field and at the box office. The stars draw the fans, and the attendance is putting more money into the business than ever before in Twin-Senator history.

The Twins' payroll will remain substantially the same this year as last because three veteran players who commanded high salaries have been released. They are Vic Wertz, Wally Pate and Ray Moore.

The payroll won't drop any because the savings on the release of the trio will be taken up by increases to such stars as Harmon Killebrew, Earl Battey, Camillo Pascual, Dick Stigman, Zoilo Versalles, Bob Allison, Jimmy Hall and others.

Of the last, Killebrew, Pascual and Allison are not yet signed.

G-BURG SWIM TEAM BEATEN BY DELAWARE
Gettysburg College's swimming team lost its first meet of the season when it bowed to Delaware at Newark Wednesday, 54-43. The reverse followed two triumphs.

Only three first places were garnered by Coach Curt Coull's Bullets. Pete Wilson won the 50-yard freestyle; Rudy Soey, diving, and the team of Soey, Bob Nix, Curt Cheney and Wilson the 40-yard freestyle relay.

The Delaware Freshmen outswam the Bullet yearlings 54-36 in a preliminary meet. It was the opening meet for Gettysburg.

BUCKNELL WERE SATURDAY
Both Bullets squads will be in action here Saturday afternoon when Bucknell will provide the opposition. The Freshman meet will start at 2 o'clock.

Santa Anita Track Idled By Strike

ARCADIA, Calif. (AP)—There are no winners these days at strikebound Santa Anita. The state is losing \$200,000 a day in racing revenue, the track is losing \$2.5 million, the employees are losing a day's pay and the horses are restless.

The trouble began when contract negotiations collapsed Monday. The Building Service Union sent pickets to the track's main gate in protest.

The main issue: A union proposal that the track provide health and welfare coverage for retired employees. Wages are not an issue.

On Tuesday Santa Anita President Robert P. Strub said the track is thinking of going out of business and converting the 400-acre site to shopping and apartment house use.

FULL SUPPORT OF MACARTHUR PACT PLEDGED

NEW YORK (AP)—The National Collegiate Athletic Association wraps up the odds and ends of another convention today and sends members home with a confused conception of the boiling war with the Amateur Athletic Union.

In his closing report, Robert F. Ray of the University of Iowa, president of the NCAA, pledged "absolute and full support of the MacArthur agreement."

"I assure both the representatives of the AAU and our friends in the federations, in which we fully believe, of our continual willingness to discuss fully at any time with a cooperative spirit the issues which divide us."

GIVES DISCLAIMER

At the same time, Ray disclaimed any part in the bitterness against the AAU reflected in the various reports of the college track and field, gymnastics and handball federations.

"They have a right to say what they wish," he said. "We are only a part of the federations. We do not control them." The federation spokesmen have been sharply critical of the AAU and have promised that "all hell will bust loose" after the Olympic Games in Tokyo in October.

WON'T LIFT BAN

It was in the interest of U.S. showing in the Olympics that Gen. Douglas MacArthur, at the request of the late President Kennedy, hammered out a truce between the warring NCAA and AAU.

In final convention action Wednesday, the NCAA refused to lift the ban on organized summer basketball competition for college players but made an exception in the case of Puerto Rico.

The NCAA altered its rules to make it permissible for Puerto Rican citizens to compete in the eight-team superior league in the summer without jeopardizing college eligibility.

DAVID SELVY LEADS FURMAN TO VICTORY

By MIKE RATHET
Associated Press Sports Writer
Furman's Selvy of the Sixties isn't Frank, but he's earnest.

David Selvy, who has stumbled more than once while trying to follow the footsteps of his brother Frank, hit the high point total of his career Wednesday night with a 25-point effort that carried Furman to a 74-63 Southern Conference basketball victory over Richmond.

Ten years ago, Furman's Frank Selvy was a month away from his 100-point output against Newberry, one giant step in the most fantastic single season ever recorded in major college annals. When the entries all were posted, Selvy had scored 1,200 points for a 41.7 average.

TORRID STRETCH

Three years ago, David Selvy came to Furman. The temptation was to label him "another Frank." He wasn't.

G-BURG KEEPS UNBEATEN MAT SKEIN INTACT

The Gettysburg College wrestling team kept its slate clean by rolling to victory number four with a 30-13 decision over Dickinson here Wednesday evening.

Gettysburg had to depend on three pins and Hayes Kline's 14th consecutive victory to pull the decision out of the fire over the Red Devils. Kline won his 130-pound bout by a 12-2 count over Phil Anderson. The Newport native has won 14 straight dual meet matches.

Phil Yost, started the evening by pinning John Euler in 2:16 of the first period in the 123-pound class. Joe Bavaro walked off with the 147-pound victory as he slammed John LeRoy to the mats in 1:09 of the second period. The third Bullet pin came on Pete McDowell's 167-pound five-point over Bob Holston in 53 seconds of the second period.

Dickinson recorded one fall when Paul Crawshaw nailed Ed Mason in the 157 class in 1:38 of the third frame. One of the big surprises was the 137 class in which Gettysburg's undefeated Joe O'Donnell was held to a 5-5 draw by Tom Hallam.

THIRD FOR FROSH
The Gettysburg Freshmen carried off their third straight decision without a setback by walloping York Junior College in the preliminaries 26-7.

The Little Bullets also came up with three pins and three decisions to easily ice the verdict. John Wallach pinned Sam Young in 1:30 of the first period in the 123 class. Scott Higgins followed with a 2:00 second period pin over Ken Groff in the 147. Bill Andrews recorded the third fall when he pinned Howard Guino in 2:09 of the second frame in the 167-pound bout.

Coach "Sprig" Gardner's grapplers will entertain Elizabethtown Saturday evening at 8 o'clock on the home mats.

The Bullet yearlings will be idle until next Wednesday when they journey to Mercersburg.

THE RESULTS:

VARSITY MATCH
123—Phil Yost, G, pinned John Euler, 2:16; 130—Hayes Kline, G, decided Phil Anderson, 12-2; 137—Joe O'Donnell, G, tied Tom Hallam, 5-5; 147—Joe Bavaro, G, pinned John LeRoy, 4:09; 157—Paul Crawshaw, D, pinned Ed Mason, 7:38; 167—Pete McDowell, G, pinned Bob Holston, 3:53; 177—Dave Wright, D, decided Jeff Alnwick, 7-4; heavyweight—Bill Costopoulos, D, decided Ray Frick, 11-7.

FRESHMAN MATCH

123—John Wallach, G, pinned Sam Young, 1:30; 130—Dick Remmey, YJC, won by forfeit; 137—Jake Seitz, G, decided Wayne Altland, 8-4; 147—Scott Higgins, G, pinned Ken Groff, 5:00; 157—Gary Klingman, G, decided Greg Brennenman, 5-3; 167—Bill Andrews, G, pinned Howard Guino, 5:09; 177—Noel Holliday, G, tied Bill Haug, 8-8; heavyweight—Bob Barrett, G, decided Tom Kline, 4-1.

DEPAUL UNBEATEN
While Furman was winning its fifth game against nine losses, DePaul remained one of the country's three major unbeaten teams along with UCLA and Davidson.

The Blue Demons won their 10th straight and continued their bid for national ranking by whipping Notre Dame 86-73.

Third-ranked Loyola of Chicago got 25 points from Les Hunter and 24 from Ron Miller in a 96-90 victory over Marquette, and 10th-ranked Duke tightened its hold on first place in the Atlantic Coast Conference race by edging Clemson 81-75.

Rich Katstra equalled his season's output of 25 points as he led Virginia to a 65-53 triumph over North Carolina State. Rick Barry scored 35 points in Miami of Florida's 97-92 decision over Jacksonville and Georgia Tech downed South Carolina 87-73.

Joey Giardello To Fight Jacobs

PATERSON, N.J. (AP)—Middleweight champion Joey Giardello will meet light-heavyweight Herschel Jacobs of White Plains, N.Y., in a 10-round non-title bout at the Paterson Armory Feb. 8, promoter Lou Duva announced today.

It will be Giardello's first ring appearance since he won the crown from Dick Tiger in Atlantic City Dec. 7.

The 33-year-old Giardello has a 94-22-7 record in his 15 years of fighting. Jacobs, 23, turned pro four years ago and has a 15-9-2 mark. He holds a decision over ranking middleweight contender Rubin (Hurricane) Carter.

TORRID BRAWL HIGHLIGHT OF LAKERS' GAME

LOS ANGELES (AP)—A torrid brawl three minutes before game's end highlighted National Basketball Association action Wednesday night as the Los Angeles Lakers walloped the New York Knicks 136-118.

The fourth period began with the Knicks' Billy McGill and Jim Krebs of the Lakers jostling one another. A fight nearly followed but teammates intervened.

As the Laker lead grew longer, tempers grew shorter. Krebs and McGill resumed their shoving match and then switched to throwing punches.

Players from both benches spilled onto the court and fights broke out all over the floor. For nearly six minutes, referees frantically blew whistles and police called for reinforcements while the fans watched with delight.

A looping right hand by the Knicks' Tom Hoover crashed on to Laker Don Nelson's mouth. The wound needed three stitches to mend it.

Finally, officers restored order, players returned to their benches, and four ejected players—Lakers' Nelson and Krebs, Knicks' Hoover and McGill—tramped dejectedly to the showers.

BULLETS WIN

Before the explosion, Jerry West poured in 39 and Elgin Baylor 36 to lead the Lakers to their fifth straight win and their sixth consecutive victory over the New Yorkers.

In two other games on the Wednesday night schedule the Baltimore Bullets snapped a four-game losing streak with a 108-99 victory over the Detroit Pistons and the Philadelphia 76ers returned to their former Syracuse home where they dropped a 128-110 decision to the Cincinnati Royals.

COMEBACK OF YEAR TITLE TO ILLINI

By HUGH FULLERTON Jr.
Associated Press Sports Writer
From nowhere to the Rose Bowl championship in two seasons—that was the story of the Illinois football team that made the Comeback of the Year in 1963.

Just two years ago the Illini had just about hit the bottom in Big Ten football. They lost nine straight games and their prospects of improvement looked dim. In 1962 they won two and lost seven but finished eighth in the Big Ten standings.

In September of 1963, Illinois promised to have a better team but even Coach Pete Elliott didn't expect to do much better than break even. He figured the comparatively inexperienced Illini were a year or two away from being title contenders in their tough conference. But the boys surprised him by winning seven games, losing one and tying one to win the Big Ten title and the trip to the Rose Bowl, where they beat Washington 17-7 New Year's Day.

CLOSE CONTEST

That feat was picked as the Comeback of the Year by sports writers and broadcasters voting in the annual Associated Press year-end poll. It was a close contest with four individual athletes and two other teams that made notable 1963 comebacks standing high in the voting.

The Illini drew 29 votes for first place, 29 for second and 20 for third out of 145 ballots and a total of 174 points in a 3-2-1 scoring basis. Second with 124 points was Sandy Koufax, the strong Los Angeles Dodgers southpaw, who recovered from an injury-plagued season and pitched the Dodgers to the world baseball championship. Third with 115 was Julius Boros, who won his second U.S. Open Golf Championship 11 years after winning his first.

Other top contenders for comeback honors included the Oakland Raiders of the American Football League with 94 points, Dick Stuart of the Boston Red Sox with 74, the base-

WEST COAST BOY WONDER SETS RECORDS

By KEN JACKSON
SPOKANE, Wash. (AP)—For a dramatic climax to a sports script, would you:

Have the injured hero throw off his foot cast and then set a mile record in the state high school meet?

Have the skinny hero, through determination and year-around dedication to training, overcome lack of size and speed to set cross country records?

Have the young hero come unheralded to the big city and win his first indoor two-mile race by a dramatic margin, setting a national record?

All of these are real life chapters in the still developing story of Gerry Lindgren, 17, 5-foot-6, 115-pound runner, who might be described as the unlikely looking athlete.

CHUCKLES TO CHEERS
Out of track uniform, Lindgren appears a fugitive from school library—thin neck holding a boyish face high above an oversized collar, high-pitched voice, ears that one expert suggested taping back to reduce wind resistance.

But when he starts pumping his lithe body around a track, chuckles turn to cheers.

At the San Francisco Examiner Holiday Invitational Meet Dec. 27, Lindgren was named outstanding athlete after his nearly incredible clocking of nine minutes flat for two miles in his first race on boards. For perspective, this was 29.8 seconds better than the recognized high school two-mile record set earlier in the year. And he was forced to go wide on many turns and jockey for position as he lapped the entire field.

HOLDS MILE MARK

Lindgren also has a 412.9 clocking in the mile, compared with the recognized prep mark of 4:08.6, and has been practically without competition in cross country.

"We still don't know what his ideal distance is," said Tracy Walters, Lindgren's track coach at Rogers High School here.

"But I don't feel he has reached his potential or even approached it."

INVITED TO LA
Lindgren has been invited to the Los Angeles Invitational Meet Jan. 18 and, if a few details can be straightened out, some of the top college distance runners and perhaps a national television audience will be able to judge just how good the high school senior is.

Walters said that Lindgren does not have blazing speed, but is developing a better finishing kick to go with his clocklike pace.

He had a broken bone in his foot and was hobbling along on cast and crutches at the start of the last track season. But he recovered form in amazing fashion and finally won the state mile race in a record 4:18.3.

HERSHEY NIPS HORNETS 2-1

By THE ASSOCIATED PRESS
Hershey's Bears score two goals and win and Providence's Reds score six and lose. And you ask how coaches get gray hairs?

The American Hockey League chapter of the Coaches Grieving Society had a couple of more customers after Buffalo beat Providence 8-6 and Hershey squeezed by Pittsburgh 2-1 last night.

Reds' Coach Ferny Flamen watched goalie Ed Giamcin kick out 43 Buffalo shots but let eight others get by. Len Lunde was the chief marksman for the Bisons with three goals. The Buffalo barrage made a waste of six Providence goals.

In the other game last night Hershey Coach Frank Mathers sweated through a scoreless period as Pittsburgh bombed Ed Chadwick with 15 shots. But the Bears protected a 2-1 lead as Chadwick kicked them all aside and chalked up 37 saves for the game.

Kevin McCreary's third winning goal in the last seven games broke a 1-1 tie after Pittsburgh's Art Stratton and Hershey's Myron Stankiewicz had traded first period scores.

GOP Hopes To Maintain Harmony In Selecting A Candidate For President

By **RAYMOND J. CROWLEY**
WASHINGTON (AP) — A prime question faced the Republican high command Wednesday as it assembled for strategy sessions looking toward the November elections:

How to pick a presidential nominee without going through so many bitter donnybrooks that the party would be disunited for the November showdown?

This issue was not on the formal agenda of the Republican National Committee as it assembled for four days of talks on how to get out the vote, how to attract financing, how to cut down Democratic margins in big cities such as New York, Chicago, Philadelphia.

HARMONY ISSUE
But the harmony issue was on the mind, for example, of Ray C. Bliss, Ohio Republican chairman and GOP powerhouse. In effect, he posted over his state's May 5 primary a "please keep out" sign addressed to major aspirants for the presidential nomination.

The Ohio plan is this: The delegation will go to the national convention pledged to Gov. James Rhodes as a favorite son. Ohioans are expected to vote for him on the first ballot—where they might jump after that Bliss was not prepared to say.

Sen. Barry Goldwater of Arizona, remarked that he might find it desirable to enter Ohio's primary. Bliss expressed the hope that Goldwater and all other major candidates would abstain, in the interests of avoiding a "divisive" fight.

WISCONSIN PLAN
A similar plan is under way in Wisconsin. There Rep. John W. Byrnes has agreed to run as a favorite son.

The Democratic National Committee, convening here Saturday, has no such worries about slugging matches for the presidential nomination, since President Johnson is considered a sure bet.

The big question, not likely to be publicly decided before the convention, is: Whom will Johnson choose as his running mate?

For this spot, the stock of Sargent Shriver, director of the Peace Corps and brother-in-law of the late President John F. Kennedy is, at the moment, soaring.

An opinion that Johnson will be easier to beat in November than Kennedy would have been voiced Tuesday by Republican Gov. George Romney of Michigan. Preserving his official stance as a noncandidate Romney informed the National Press Club he was amenable to a draft—as he said any concerned citizen would be duty-bound to be.

SAIGON, Viet Nam (AP) — A saboteur is believed to have set a fire that destroyed 200,000 gallons of gasoline in a Vietnamese army fuel dump Monday night in the Mekong River delta capital of Vinh Long. The fire was brought under control after three hours. No damage was reported outside the dump.

Accepts Facts Of JFK Death

DALLAS (AP)—The widow of Lee Harvey Oswald has accepted as a fact that her husband killed President John F. Kennedy, her business adviser said today.

As a result, said the adviser, James H. Martin, she has no desire to sue the City of Dallas, any government or Jack Ruby, the man charged with killing Oswald two days after Kennedy was assassinated.

Mrs. Oswald, 22, has received slightly over \$28,000 in contributions from over the nation. The Secret Service continues to protect her, but "Marina is free to come and go as she pleases," Martin told newsmen.

Martin said some groups have suggested there is something sinister about the government protecting Mrs. Oswald.

"They seem convinced that she is being held incommunicado, but she definitely is not," Martin said.

Describing Mrs. Oswald's attitude about the assassination, Martin said she accepted the evidence detailed by police as valid.

"It was easier for her to do because he had changed since returning to the United States from Russia," Martin said, "he had become more moody, more unhappy."

A Lovelier You

By **MARY SUE MILLER**
"RESORTFUL" TIPS. A mature lovely writes: I am soon to embark on a winter vacation. Finding a becoming bathing suit is my problem. Styles seem to be getting briefer and what I need is something that comes down to the ankles. My legs are too heavy and soft for all that exposure. There are spider veins around my ankles, too. Those troubles have kept me away from beaches, but now I'd like to get into the swim and don't know how to manage it gracefully.

The solution comes in three

parts: 1. Select a dressmaker type of suit with a moderately full skirt. The flare of the skirt causes the legs to appear slimmer. For more of the same, lower the hem just one inch. A greater drop gives a matronly look to a suit. Heaven forbid!

2. Get to work at once on some legline trimmers and continue performing in vacationland. Here's a most resultful routine: Lie, back down, on floor and raise legs perpendicular to it. Keeping knees stiff, move left leg five inches forward and right leg five inches backward; reverse leg positions. Then without stopping, briskly repeat those movements for 30 counts.

Now fling legs apart, sideways, to full extension — hold for five counts. Next quickly criss-cross legs 10 times—left leg over right, right over left, so thighs brush. Rest and repeat twice.

3. Camouflage spider veins with waterproof cream and powder, made for the purpose.

And why not take along an ankle-length beach dress? It's as chic a bit of concealment as ever was!

If your individual problem is heavy legs, send for my new leaflet, **LEGLINE TRIMMERS**, which contains spot reducing exercises that will meet your individual needs, whether for thighs, knees, calves or ankles or for contouring your entire legline. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a stamped, self-addressed envelope and five cents in coin to cover handling.

Lodge Out Of Wisconsin Race

SAIGON, Viet Nam (AP) — U.S. Ambassador Henry Cabot Lodge said Wednesday he has been asked to run in the Wisconsin

Republican presidential primary but that he has declined.

Lodge's disclosure followed repeated denials by the ambassador that he is a candidate for the Republican presidential

nomination. Wisconsin Rep. John Byrnes is reported to have agreed to head an uncommitted, untested, delegation as his state's favorite son to the Republican National Convention, provided

all major Republican candidates stay out of the Wisconsin primary April 7.

The possibility that Lodge might be a dark-horse candidate for the Republican nomination was raised last month.

FIVE KILLED IN CRASH OF BUS, TRUCK

BECKLEY, W. Va. (AP)—A Post Office mail bus and a flatbed truck collided on a West Virginia Turnpike bridge north of Beckley Wednesday killing five persons, state police trooper R. P. Pumphrey reported.

Three of the victims were Post Office clerks sorting mail as the big van traveled from Charleston to Beckley. The other victims were drivers of the bus and truck.

The head-on collision occurred about 15 miles north of Beckley and blocked north-south traffic on the turnpike.

Pumphrey said the vehicles met near the centerline of the highway.

The mail bus had left Charleston about 3:15 a.m. est. The accident occurred about an hour later.

The mail clerks were W. Brent Robinson, 51, and George Christ, 38, both of Charleston, and H. H. McGee of Glen White in Raleigh County. The drivers were not identified immediately.

Phila. Attorney To Help With Probe

PHILADELPHIA (AP)—Assistant Dist. Atty. Arlen Specter, 34, will go to Washington in a few days to join the legal staff of the presidential commission investigating the assassination of President Kennedy.

Specter accepted immediately the telegraphed appointment Wednesday from J. Lee Rankin, the commission's general counsel. Rankin and Howard Willens, a member of the Justice Department's criminal division, are assembling a 10-man legal staff.

The legal staff members will represent 10 geographic areas of the country. Five will be senior, or older, lawyers, and five younger men.

NAME "SALESMEN"

HARRISBURG (AP)—Gov. Scranton has called on 70 prominent businessmen to serve as his "action sales force" to help sell Pennsylvania to out-of-state firms in the hope that they may locate plants here.

Scranton said the newly formed group, headed by John T. Ryan, president of the Mine Safety Appliances Co., Pittsburgh, is a part of his committee of 100,000 Pennsylvanians for the Promotion of Economic Growth.

MAN TRAPPED IN CUBICLE IS RESCUED

MACKAY, Idaho (AP)—Stanley Johnson, a miner trapped for 27 hours in a 12-by 6-foot cubicle 1,158 feet underground, was rescued Wednesday.

He was cold, tired and a little weak—the temperature in the underground cell was around 40 degrees—but otherwise okay.

Taken to a hospital in nearby Arco, the doctors looked him over, gave him food and sent him to bed.

Custer County Sheriff Glen Reed who drove Johnson, 38, a bachelor, to the hospital said, "He didn't have much to say. He was pretty cold but had enough room to keep moving around in there so he could keep from freezing."

tee of 100,000 Pennsylvanians for the Promotion of Economic Growth.

Wright of Mackay said "they got him out by drilling a series of holes through a partition from another shaft, then chipping out the area between the holes. They couldn't blast because of the cave-in danger."

"He was trapped around one o'clock yesterday (Tuesday) afternoon. He and Harold Lambert were drilling into the bottom of a stope—an old ore pocket—but didn't know it was that close."

"When they hit bottom, tons of fill came down. It trapped Harold for about 30 minutes, but he dug out. Stanley couldn't—there was too much."

The lead and copper mine near this central Idaho community is owned by Empire Copper Mines Co.

Lawmaker Wins Court Dismissal

DENVER (AP)—Mrs. Ruth Clark is a member of the Colorado House of Representatives. For five years she has been on the House Judiciary Committee.

So, she said, she felt confident in City Court Wednesday. She convinced the court to dismiss a charge that she had

COURT HEARS ARGUMENT ON HUNTING BAN

PHILADELPHIA (AP)—Arguments that township ordinances regulating hunting preempt state laws were voiced before the Pennsylvania Supreme Court Wednesday.

The arguments came during an appeal by five hunters from their conviction under a Lower Providence Township ordinance controlling hunting.

Under the ordinance, shooting is forbidden within 150 yards of any building. Hunters must also have written permission of land owners on special township forms.

A magistrate fined each hunter \$10 and \$9 in costs.

Joseph P. Yatsko, the hunters' lawyer, said the state has

made an illegal left turn in traffic. Mrs. Clark pointed out that the ticket listed her as a man.

laws regulating hunting and forbidding trespassing. Thus, he argued, these local regulations preempt state laws. He said a hunter would have to have "a whole portfolio" of special permits to go hunting.

Charles Potash, solicitor for Lower Providence Township, said the ordinance was designed

to protect life and safety and not to regulate hunting.

LOS ANGELES (AP)—Actor Steve Cochran says he's going to take a six-month cruise with an almost all-girl crew.

With the help of one man and four girls, he plans to sail his 40-foot schooner, the Rogue, to

the Bahamas. One of the girls will be his cousin, Billie Rose. He hasn't selected the others. Cochran says he'll sail as soon as he gets a divorce from Hedy Janna Jensen, who recently returned to her native Denmark.

ADVERTISE IN THE TIMES

ROMNEY IS NOW AVAILABLE FOR DRAFT BY GOP

By GENE SCHROEDER
LANSING, Mich. (AP)—Michigan Gov. George Romney's sudden availability for a draft for the Republican presidential nomination may be more of a strategic political move than a tactical one.

In announcing to a National Press Club audience Tuesday that he would have a duty to accept a genuine draft, Romney—in the view of some observers—could well have been making a calculated power play.

Recent statements by the governor indicate he wants to play a more important role in national politics.

INTERESTED IN '64

In an interview with The Associated Press, Romney said: "What happens nationally has an important bearing on what happens to Michigan, and I certainly hope to pursue a course of activities that would permit me to have some influence on what might happen nationally in 1964."

If it had not been a certainty before, Romney assuredly will be placed in nomination on the first ballot at the San Francisco convention next July—probably as Michigan's "favorite-son" son."

IMPORTANT ROLE

Since he can be expected to draw a number of votes from other state delegations, the governor may find himself playing an important role in deciding who gets the nomination.

He could to this by throwing his support to one candidate or another if a deadlock develops.

Or, if his strength picks up on the second ballot, Romney might go all the way to the nomination as a compromise candidate standing somewhere between New York's Gov. Nelson Rockefeller, and Arizona Sen. Barry Goldwater.

Romney has made no secret that he has reservations about some of Goldwater's views, especially regarding civil rights, right-to-work laws and foreign affairs.

Wants "God" Kept On Face Of Coins

WASHINGTON (AP)—Rep. Frank M. Clark, D-Pa., wants the word "God" kept on U.S. coins and in the pledge of allegiance to the flag and has proposed Congress go on record as favoring their retention.

Clark said Tuesday he introduced his resolution because of recent Supreme Court rulings barring prayer and Bible reading in public schools.

He said the proposed resolution says Congress favors keeping "in God we trust" on the coins and the phrase "under God" in the pledge of allegiance.

Britain Ignores Yankee Protests; Will Sell 400 Buses And Parts To Cuba

By RAYMOND E. PALMER
LONDON (AP)—Britain has shrugged off U.S. objections to the sale of British buses to Cuba, saying the \$10 million deal doesn't come within the embargo on strategic goods.

A spokesman for the Board of Trade, Britain's equivalent of the U.S. Commerce Department, said:

"Manufacturers are at liberty to sell as and when they find the opportunity. There has never been a boycott on the country by Britain. That is the situation and we don't see any reason to depart from this at present. We have quite an extensive trade with Cuba."

BUYS 400 BUSES

Under the agreement announced in Havana Tuesday, Leyland Motors Ltd. will sell 400 buses and \$1.1 million in spare parts to Cuba on a five-year credit plan. Washington sources said Cuba also has an option to buy an additional 1,000 buses, but there was no confirmation of this in London.

A spokesman for Leyland indicated the manufacturer would be happy to accept further orders from Havana.

Commenting on the sale at a news conference in Washington, State Department press officer Robert McCloskey said: "It certainly does not help our efforts to isolate the Cuban regime and thereby weaken its economy."

CAN'T BUY PARTS

Cuba's bus transportation system has been badly hurt because it can't import spare parts from the United States for its many U.S.-built vehicles. Cuba has been gradually replacing buses with vehicles made in Communist bloc countries.

To enforce its embargo, the United States has banned from its ports foreign ships carrying cargo to Cuba. Under 1962 legislation, the President also is empowered to withhold foreign aid from any nation trading with Cuba.

Engle Announces For Senate Race

LOS ANGELES (AP)—Sen. Clair Engle, in his first newspaper interview since undergoing brain surgery last August, says his health is "fair to midline" and he is in the 1964 Senate race.

Engle, 52, a Democrat from Red Bluff, Calif., announced Monday night in a television film that he will run for reelection in November.

The announcement drew requests from California Democrats for medical evidence that he is well enough to serve another term.

Engle said in a copyrighted interview in the Los Angeles Times Tuesday: "The (medical) prognosis is fair to midline. We'll have substantial improvement during the months ahead and we'll justify our campaign on that."

SAN MATEO, Calif. (AP)—Ellis J. McClanahan, 69, retired vice president and director of Standard Oil of California, died Tuesday. He retired in 1959 after 47 years with the company.

CONCORD, Mass. (AP)—Arthur Stanley Pease, 82, president of Amherst College from 1927 to 1932 and former Latin and literature professor at Harvard University, died Tuesday.

WOMAN BOOKED ON SUSPICION IN MAN'S DEATH

NEWPORT BEACH, Calif. (AP)—Spanish-born Manola Gallardo, unable to speak English, may have fatally stabbed multimillionaire William A. Bartholomae after mistakenly believing he had harmed her sister, Orange County Dist. Atty. Kenneth Williams said.

The district attorney's office dropped murder charges Tuesday against Bartholomae's sister-in-law, Carmen, 25, and booked her sister, Manola, 32, on suspicion of murder.

Bartholomae, 70, a yachtsman who made an estimated \$11 million in ranching, oil and mining, died Sunday morning in the kitchen of his \$500,000 mansion on Newport Bay.

CLAWED, STABBED

The district attorney said Bartholomae died in a "real, choice battle" in which he was clawed and stabbed to death.

Williams said a lie detector test given Mrs. Bartholomae and further police investigation Tuesday led to her release and the arrest of her sister.

The district attorney said investigation gave this picture of the fatal stabbing:

Manola had just left the kitchen to take care of her sister's 3-month-old son. On her return, she saw her sister lying on the floor, Bartholomae leaning over her. She either thought Bartholomae had harmed her sister or was about to.

SCUFFLE FOLLOWS

A scuffle ensued. Bartholomae was stabbed. Manola's left hand was nearly severed.

The lie detector test confirmed Mrs. Bartholomae's story that she fainted because of abdominal pains while her sister was out of the room, Williams said.

Miss Gallardo waived preliminary hearing and will be arraigned in Orange County Superior Court Jan. 16. Her attorney, Paul Caruso, said she would plead innocent.

Miss Gallardo came to the United States three months ago to help her sister care for her newborn child.

Worker Misses Falling Infant

NEW YORK (AP)—"I thought of my own baby," said Alfred Salerno, 19, explaining why he tried to catch a baby who tumbled from a fifth floor apartment.

The child, David Fisher, 1½, bounced off Salerno's chest and struck a sidewalk Tuesday. He died at a hospital.

Salerno, a utility workman, was in an excavation when he saw the baby tottering on a ledge. He got under the ledge just as the baby fell.

SANTA MONICA (AP)—Mrs. Catherine Helen Crosby, 90, mother of singer Bing Crosby, died Tuesday in a rest home after suffering a series of strokes. Mrs. Crosby, who is survived by four other sons and two daughters, was born in Stillwater, Minn.

PRESIDENTIAL SUCCESSION IS TOPIC FOR CBS

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP)—"CBS Reports" Wednesday night undertook, earnestly and very successfully, to explain the knotty problem of presidential succession and to alert — without taking a position itself — the electorate to a real emergency situation.

Former Presidents Harry S. Truman and Dwight D. Eisenhower, in recently taped interviews, disagreed without heat on the proper successor to the president in the event there is no vice president to take over.

But, along with former Vice President Richard M. Nixon, who grappled with the succession problem during three serious illnesses of his chief, all agreed that the matter should be resolved quickly by law and that the constitutional definition of "disability" should be clearly defined in the case of an ailing president.

Truman obviously favored succession of the speaker of the House of Representatives, partly because he is an elected representative and partly because he probably would have a long history as a public servant. Eisenhower felt that the secretary of state would be the more logical heir because there have been so many instances where the speaker was a member of a rival political party.

DEBUT ON FRIDAY

"That Was The Week That Was," in its debut as a weekly program on NBC Friday night has unusual treat in store Burr Tillstrom, the creator of Kukla and Ollie, appearing without his famous puppets.

Special programs on the surgeon-general's report on cigarette smoking will fire up all network channels on Saturday night. ABC and CBS will broadcast their summaries of the long-awaited report between 7 and 7:30 p.m. (Eastern Standard Time) while NBC will devote an hour to the subject from 7:30 to 8:30.

Recommended tonight "True to Terror," NBC, 10-11 (Eastern Standard Time)—An allegory, told in terms of events that follow after one man accidentally brushed against a stranger on a dark street.

SAY LIGHTNING DOWNED JET

WASHINGTON (AP)—Lightning was the likely cause of the fatal crash of a Pan American jet clipper near Elkhart, Md., last month according to Alan S. Boyd, chairman of the Civil Aeronautics Board.

Boyd, testifying before a House Commerce Subcommittee Wednesday, said the Boeing 707 jet that crashed with loss of all 51 aboard was not equipped with plastic diverters — equipment that leads off the electric discharge from lightning.

Boyd said a National Airlines plane flying nearby was equipped with diverters, and although struck by lightning, did not crash.

The law does not require planes to carry diverters. Boyd said, however, that as a general rule "it does not appear

Renovo Tries To Halt RR Layoffs

RENOVO, Pa. (AP)—A municipal official and a union representative told citizens of Renovo Wednesday night that Gov. Scranton was responding to their plea for action against planned layoffs at the Pennsylvania Railroad shop facility here.

Mayor Carmen Rosamilia told some 800 persons who crowded into the high school auditorium that he was the bearer of a personal message from the governor.

Rosamilia said the governor had urged the people to rally in an effort to halt the scheduled layoffs, which the Transport Workers Union sets at 33 and the railroad sets at 23.

Andrew Kaell, TWU staff representative from New York, told the gathering he was keeping in close contact with the governor's office in Harrisburg.

TODAY

In History

By THE ASSOCIATED PRESS
Today is Thursday, Jan. 9. There are 357 days left in the year.

Today's highlight in history: On this date in 1793, Francois Blanchard of France made the first balloon flight. He remained in the air 45 minutes and his landing at Woodbury, N.J., was witnessed by George Washington.

On this date: SAFETY LAMPS

In 1816, Sir Humphry Davy's safety lamp was first used in mines.

In 1861, Mississippi seceded from the Union.

In 1945 the U.S. invasion of the Philippines during World War II began when 6th Army troops under Gen. Douglas MacArthur landed on Luzon.

In 1950, the New Jersey Supreme Court declared that loyalty oaths were unconstitutional.

Ten years ago—Iraq proposed that the eight members of the Arab League move toward federation by unifying their key ministries.

Five years ago — More than 130 Spaniards were drowned or reported missing in floods caused by a broken dam in a small town near the Portuguese border.

One year ago — The former board chairman of the New York Stock Exchange, J. Truman Bidwell, was acquitted of income tax evasion by a federal court jury.

SAIGON (AP)—Tran Van Van, a political foe of the late Ngo Dinh Diem's regime, has been elected chairman of South Viet Nam's new "Council of Notables."

The council has 58 members representing non-Communist political factions. It was appointed by the military junta which overthrew the Diem government, and assigned to design a new form of government for the country.

that (weather) turbulence alone can be called the prime instigator of jet aircraft accidents.

Boyd said severe damage by lightning is rare although planes are struck fairly frequently.

He said the Elkhart crash apparently is only the second one ever caused by lightning.

AMENDMENTS PROPOSED TO CONSTITUTION

HARRISBURG (AP)—Senate Republicans proposed four constitutional amendments Tuesday in the opening session of the 1964 legislature.

All were referred to the Committee on Legislation. Also proposed was a resolution calling for a study of constitutional revision by the Joint State Government Commission, research arm of the legislature.

Three of the proposed amendments were sponsored by Sen. Robert D. Fleming, R-Allegheny, chairman of the Senate Appropriations Committee, but without administration backing. Gov. Scranton has created a special commission to draw up administration proposals to change the state's 90-year-old basic law.

THREE PROPOSALS

Fleming's amendments would — eliminate the fee system for Justices of the Peace and Aldermen in favor of a fixed salary.

— Erase the requirement for all constitutional amendments to pass two legislatures if approved the first time by a two-thirds vote.

— Permitting state bond issues by permitting their submission to the voters after approval of the debt by statute.

Sens. Clarence D. Bell, R-Delaware, William Z. Scott, R-Carbon, and Walter E. Morris, R-Jefferson, joined in sponsoring the fourth proposal, exempting men and women over 65 with incomes of less than \$2,500 from real estate and per capita taxes.

Bell and John H. Ware, R-Chester, called for the joint state government study.

ROCKY GIVES '64 PROGRAM TO ASSEMBLY

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller Wednesday handed the Legislature a 1964 program that promised no tax increases, urged a few specific new programs but shied away from major political, home-front controversy that might damage his presidential hopes.

He proposed revisions and modifications in several specialized areas but recommended no sweeping new programs in matters of public interest and application.

The Republican governor's annual message to the opening session of the legislature advocated:

Pepeal of the state's 51-year-old laws that specify the minimum size of railroad train crews.

A pay raise for state employees.

DODGES ISSUES

Authorization for grand jury presentations — reports that criticize public officials although no criminal charges are made.

A single, June primary in this presidential election year.

Rockefeller made no recommendations, pending the outcome of various studies and investigations, on such controversial issues as a \$1.50-an-hour minimum wage, legislative ethics, liquor-license scandals, state aid to localities, proposals for more aid to education, low-income housing and tighter state control over private ownership of firearms.

BLAZE WRECKS CITY BUILDING

PITTSBURGH (AP) — A Pittsburgh warehouse was wrecked early Wednesday by a spectacular, general alarm fire. Flames shot 60 feet in the air as the blaze roared through the brick structure on Samsponia Street in the North Side.

There was no report of injuries.

Burning matter showered down on residential buildings in the congested area, setting off a number of smaller fires.

For awhile, firemen were forced back by heat and smoke, but they continued to pur water on the blaze with aerial ladders.

Only the walls were left standing of the building that was four stories in one section and two stories in another.

Fire officials said damages may run as high as \$150,000. Paper material stored in the building was destroyed.

What caused the fire was not determined immediately.

Firemen fought the blaze for about two hours before bringing it under control. Families were evacuated from nearby buildings, some of which suffered

YORK SPRINGS — The regular WCTU meeting of York Springs local will be held Friday evening at 7:30 o'clock at the Methodist parish house. This month the unit will honor honorary members, men who are in sympathy with the work and sign the WCTU pledge and pay yearly dues. Rev. Donald Roemer, one of the honorary members, will speak and other honorary members are urged to come.

The YTC and LTL groups will meet at the same time and place.

smoke and water damage. The blaze knocked out electrical power in the immediate area.

Firemen kept the fire from spreading to an adjoining six-story warehouse containing furniture.

The fiercely burning fire, which could be seen for blocks, attracted a crowd of some 200 onlookers.

A'S PROPOSED SHIFT CALLED "INEXCUSABLE"

By HARRY F. ROSENTHAL
Associated Press Writer
KANSAS CITY (AP) — For the next eight days, until owners of American League teams meet in New York, the question of whether Kansas City or Louisville has a baseball team named the Athletics will be subject to conjecture. And words.

Owner Charles O. Finley, who signed a two-year contract Monday to shift the A's franchise to Louisville, says he is confident the owners "will approve my move when they have had an opportunity to analyze the true facts."

A majority of owners have indicated otherwise.

"VERY CONFIDENT"

"He isn't going to Louisville," Chicago White Sox Owner Arthur Allyn said Tuesday. "Mr. Finley's action is absolutely inexcusable. He has an obligation to Kansas City and I'm going to see that he lives up to it."

It was reported Finley might charge the other owners with restraint of trade if they thwart his move.

Finley called the report "another perfect example of a manufactured lie," and added:

"If the owners veto the move I will face that when it happens. But I am very confident nothing like that will occur."

"NOT FOR SALE"

Kansas City officials, who failed in weeks of negotiations to reach agreement on a Municipal Stadium lease, maintained what Mayor Ius D. Davis called "discreet silence."

Davis and City Manager Carleton Sharpe had requested American League assistance before Finley announced his planned move. They'll attend the league meeting in New York Jan. 16.

Finley was asked in Louisville if he had any new offers to sell the club he bought in 1960 from the estate of Arnold Johnson.

"I haven't had any new offers," Finley said. "It would not make any difference if I did. The club is not for sale."

WASHINGTON (AP) — Maj. Gen. John Bragdon, 70, veteran of both World Wars and a former deputy chief of Army Engineers, died Tuesday after a brief illness.

College Sophomore Commits Suicide

LANCASTER, Pa. (AP) — The death of an 18-year-old New York City youth has been ruled a suicide by deputy Lancaster County coroner Dr. Gilbert N. Clime.

Alan Robert Glickman, son of Dr. and Mrs. Mortimer Glickman, a sophomore at Franklin and Marshall College here, was found shot to death Tuesday in the home where he roomed.

Clime said the youth shot himself with a .16-gauge shotgun. Police said Glickman left a note indicating plans to end his life.

450 Appointments Going To Senate

HARRISBURG (AP) — When the Senate returns in two weeks it will have some 450 gubernatorial appointments to consider, including three members for the newly created Highway Commission.

The appointments were forwarded to the Senate Tuesday as that body convened to hear Gov. Scranton's combined budget and state of the commonwealth address. The Senate adjourned until Jan. 27 without acting on any of them.

Scranton's latest nominations were to the Highway Commission, created by the 1963 General Assembly to plan the state's long-range road building program.

Appointed by the governor were former Lt. Gov. Roy E. Furman, a Democrat, and Louis G. Feldman of Hazleton and Harold G. Resnik of Erie, both Republicans.

Doctor Murdered, Autopsy Shows

SAN DIEGO, Calif. (AP) — A coroner says an autopsy disclosed that San Diego Neurosurgeon Dr. Alec S. Barnum, 40, was strangled before his body was dumped into a bathtub at his home in nearby Point Loma.

A neighbor and a maid discovered his body Tuesday. Hands bound behind him and his face submerged in water.

Coroner Robert Creason said the autopsy showed bruises and two broken bones in the neck. The neighbor, Mrs. James Browder, said his \$50,000 home had been ransacked.

Dusk and death go hand in hand. Turn on your lights.

What to do till
the doctor comes

Emergencies strike with sudden swiftness. A slip, a fall, a collision is seldom announced. So be prepared. At least one member of every family should have a working knowledge of first aid. There are books on the subject and the American Red Cross gives classes where such information and training can be acquired. We recommend that you, or someone in your household, acquire the know-how. Another worthy recommendation is to maintain a supply of first-aid medications on hand at all times — antiseptic, gauze bandages, adhesive tape, alcohol, soothing creams, etc. The cost is small and we'll be glad to assist you in your selection.

STATE BUDGET IS DENOUNCED AND PRAISED

HARRISBURG (AP) — Legislative Republicans praised Gov. Scranton's proposed 1964-65 budget of \$1.168 billion today as the work of a man of presidential caliber.

But minority Democrats denounced it as "window dressing" and a "presidential stage production."

These were the reactions after Scranton unveiled his program Tuesday, calling for more spending than ever before with-

out the need for new taxes.

Both the Senate and House listened in silence for 28 minutes as the governor outlined the proposals in a combined budget and state of the commonwealth message.

ROSE, CLAPPED

There was no applause during the speech. Only when the governor had finished did the lawmakers rise and clap.

Scranton told the assemblymen and a statewide hookup of radio and television that continued national prosperity and economies by his own administration would permit \$50 million in increased spending during the new fiscal year beginning July 1.

"The governor's speech dispels all doubts about Pennsylvania's ability to produce presidential candidates," declared newly elected House Majority Leader Kenneth B. Lee, R-Sullivan.

BEST CANDIDATE

Sen. Robert D. Fleming, a leading Republican from Allegheny County, and chairman of the Senate Appropriations Committee, chimed in that Scranton's proposed budget program and accomplishments make him the "outstanding presidential candidate of 1964."

Scranton is prominently mentioned among state and national GOP leaders as a possible contender for the Republican presidential nomination. He has said, however, he would accept only a "sincere and honest draft."

Maryland Woman Killed In Crash

YORK, Pa. (AP) — Mrs. Margie Iona Ford, 39, Whitehall, Md., was killed and four other persons injured Tuesday night in an auto crash at nearby Maryland Line, Md.

Hospitalized in York were the victim's two daughters, Ruby Diane, 18, and Donna Iona, 16, and the driver and occupant of the other car, Ned Lemarr Thomas, 22, and Dennis Lee Simpson, 16, both of Maryland Line. Authorities said the collision occurred between 8 and 9 p.m.

MILES HORST JOINS STAFF OF SCRANTON

HARRISBURG (AP) — Miles Horst, prominent figure in both agriculture and politics, is joining the Scranton administration as a \$13,000-a-year special assistant to the governor.

Horst's appointment Wednesday touched off speculation that he would assume the task of liaison with national farm interests in light of Scranton's growing prominence as a Republican presidential nomination prospect. Not since World War II has an agriculture specialist been located in the governor's office.

A native of Lebanon, Horst, 71, is a former state agriculture secretary and former state Republican chairman.

SERVED 3 TERMS

He served three complete terms as secretary of agriculture under Govs. Edward Martin, James H. Duff and John S. Fine. He was GOP state chairman following that. Then during the administration of former President Dwight D. Eisenhower, he served as assistant U.S. secretary of agriculture.

The governor's office said Horst's assignment would be to "direct efforts in the field of agribusiness development." The office said he would work closely with Agriculture Secretary L. H. Bull.

Agribusiness is a coined word generally defined as meaning the entire agricultural economy from farm to consumer.

HELPED IN '62

In the spring of 1962 Horst served as primary campaign manager for Scranton who won easily over challenger J. Collins McSparran. McSparran at the time was master of the Pennsylvania Grange, a post Horst himself once held.

Horst also served two terms in the state legislature from 1933 to 1937 and for more than 20 years edited several state farm publications.

Last summer Horst, who speaks with a slight Pennsylvania Dutch accent, led a "people-to-people" tour of Russia and other European countries.

Today In Washington

By THE ASSOCIATED PRESS WASHINGTON (AP)—In the news from Washington

POLITE NO: President Johnson has turned down politely a French hint that he meet President Charles de Gaulle of France at the Caribbean island of Martinique, it was reported Wednesday night.

Paris was told that Johnson's duties bar him from leaving the United States in the months ahead, informed sources said.

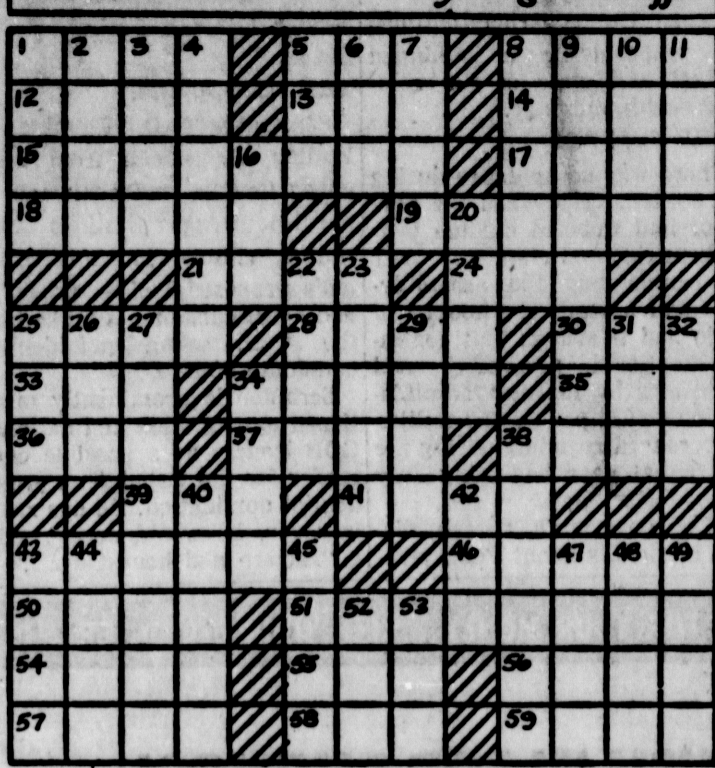

POVERTY: President Johnson's planned war on poverty would be waged over five years and cost more than \$5 billion, administration sources said Wednesday night.

In briefing newsmen on his proposal, Johnson said the program would run in excess of \$1 billion. But the sources said later the President's estimate was for the first year.

RAIL DECISION: Four operating unions have lost another round in their long bout with railroads over the elimination of jobs.

A federal court upheld Wednesday a special arbitration panel's ruling that would lead eventually to the wiping out of 90 per cent of the firemen's jobs on diesel freight and yard service.

BASE CLOSED: The Air Force has announced that it will shut down another of its overseas bases — this one in Spain.

It was disclosed Wednesday it is closing one of its three bomber bases in Spain by July 1 and that about 3,500 military personnel and 4,500 of their dependents will be brought home.

The B47 medium jet bombers will be moved from the Zaragoza base, which will be put on a standby basis, to the two other Spanish bases, Miron and Torrejon.

SOVIET GROWTH: The Central Intelligence Agency has concluded that the Soviet Union's economic growth is running far behind the United States' and that Russian gold reserves have dropped below \$2 billion.

The CIA reported these conclusions to newsmen Wednesday after a study of the Russian economic situation.

Russia's economic growth in the last two years was rated at less than 2.5 per cent annually. The U.S. growth rate has been running at 5 per cent recently.

SYDNEY, Australia (AP) — French Defense Minister Pierre Messmer says his government will hold nuclear tests on an uninhabited Pacific atoll 100 miles from Tahiti some time next year.

Speaking at a stopover here en route by plane to Tahiti, Messmer said Wednesday that France is willing to discuss the tests with Australia and New Zealand but is determined to proceed.

SIX COUNTIES' SCHOOL PLANS ARE APPROVED

HARRISBURG (AP) — Reorganization plans for school districts in six counties won approval of the Council of Basic Education Wednesday.

The plans, first submitted under the revised school district reorganization law of 1963, were presented by Cumberland, Lawrence, Perry, Snyder, Tioga and York counties.

They reduce 150 affected districts to 40, said the council, an arm of the state Board of Education. However, only six of the new districts will have student populations of 4,000 or more—a figure the law sets as ideal.

IN CUMBERLAND

Cumberland County will have one second class district and eight third class districts under its plan. Two of the districts will have more than 4,000 pupils.

Lawrence County will have one second class district with over 4,000 enrollment and seven third class districts.

Perry County, with three third class districts and one fourth class district, will not have a unit with over 4,000 pupils.

Snyder County reorganized itself into one district with a pupil enrollment of over 4,000.

Tioga County set up three third class districts, none of which will have 4,000 enrollment.

York County will have two districts with over 4,000 as it realigned itself into one second class district and 14 third class districts.

BID NEW BUILDINGS

HARRISBURG (AP) — The General State Authority says unofficial low bids totaled \$1,612,600 for a planned construction project at Pennsylvania State University.

The work calls for construction of six single-story units to house the Department of Maintenance and Utilities at the school.

SAIGON, Viet Nam (AP) — The United States agreed today to give the South Vietnamese government \$31 million worth of surplus agricultural products.

Proceeds from their sale are to be used in the war against the Communist guerrillas.

OTTAWA (AP) — The Canadian navy will put 14 ships into mothballs before the end of March as part of a program to reduce naval expenditures. The program will save an estimated \$7.75 million annually.

Boy In Hospital After Icy Rescue

MIFFLINBURG, Pa. (AP) — John Rager Jr., 3, remained hospitalized in guarded condition today after being rescued from the icy waters of Penns Creek where his four-year-old playmate drowned.

The Rager boy and Karen Sue Ettinger, both of the community of Penns Creek, were swept downstream after their sled plunged through the ice.

The boy was rescued by Robert Lepley and taken to Evangelical Hospital in Lewisburg. The body of the girl was recovered about 3 1/2 hours after the accident.

BONN, Germany (AP) — Thirty-four scientists fled from Communist East Germany to the West last year, the West German Refugee Ministry reported today.

BHUBANESWAR, India (AP) — Prime Minister Nehru is making satisfactory progress, a medical bulletin said today. The Indian leader, 74, who was ordered to bed early Tuesday, spent a restful night, the bulletin added. His doctors say he is suffering from high blood pressure and fatigue.

VIENNA, Austria (AP) — Julius Raab, 72, chancellor of Austria from 1953 to 1961 when he resigned because of poor health, died Wednesday. Raab, a conservative, steered Austria back to independence after its postwar occupation by the United States, the Soviet Union, Britain and France.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — For President Johnson 1964, which will be the most intense year of his life, is like being condemned to a gymnasium. It is going to be an endless workout. That seems to be the way he wants it.

Johnson was 46 and President Dwight D. Eisenhower 64 when they had their heart attacks in 1955. It laid them both up for months. Thereafter Eisenhower carefully paced himself through six more years of the presidency.

Johnson did the opposite. Starting the day after he left the hospital, he invited newspaper reporters to his home. He gave the impression of a man raring to go, which is probably the exact impression he wanted to give.

PITCHING HARDER

At any rate, he seemed to take his heart attack as an invitation to pitch harder.

After some months of rest that year Johnson returned to his job as Democratic majority leader in the Senate and resumed his hectic pace. Then in 1960, when he had to campaign for the vice presidency, he outdid even his Senate energy.

Johnson, in his almost three years under President John F. Kennedy, continued to spread his physical effort like jam over days and nights as he whipped around making speeches and on foreign trips assigned him by Kennedy.

MISSING TENSION BEFORE

In all this, since Johnson was a completely secondary figure in the Kennedy administration, he was not under severe tension. Kennedy was the one who had to endure that. He was the one who had to make decisions and do the struggling.

Now Johnson gets the full load of the physical and mental activity which go with the presidency, plus its tensions. In short, 1964 will be the greatest year of strain in his life.

Just the physical part of it is a kind of physical torture: the handshaking, the reception lines the speechmaking, the banquets maybe trips abroad, battles with Congress, the need to stay in camera focus.

HEAVY PHYSICAL STRAIN

On top of it all, will come the

campaign for election.

In less than two months in office he has put a far heavier physical strain on himself than even the very active Kennedy.

Johnson seems unable to sit quietly and, so far as newsmen are concerned, to stop talking. He bounces in and out, up and down, consults with advisers, holds instant news conferences, meets with his Cabinet, hunts deer, gives personally conducted tours of his Texas ranch, keeps talking, has barbecues, strolls the streets, makes pronouncements, orders people around — he's noted for that — and keeps talking.

There's no reason to think this won't be his routine for the rest of the year. How does all this set with a man who had a truly bad heart attack eight years ago? So far it seems to have worked all right.

Just a month ago one of his doctors, looking back over Johnson's eight years since the attack, says, "He has done beautifully. I don't know of anyone who gets up earlier, goes to bed later, works harder, and gets more done without any trouble than the President. He tolerates stresses that most people can't."

Today's car inspection is tomorrow's protection.

MRS. DELLA N. BUTT

ABBOTTSTOWN—The Women's Guild and the Ladies' Aid Society of Emmanuel Reformed Church met Wednesday evening at 7:30 o'clock in the social room of the church.

The Lions Club will meet this evening at 6:30 o'clock at the Altland House.

Recent guests of Mrs. Charles Slothour included Mr. and Mrs. William Angle and son, Terry, Mr. and Mrs. Joseph Engle and Mrs. Estella Altland, York.

Mrs. Helen Haines, Mrs. Grove Haines and Mrs. Salvador Castro and daughter visited relatives in Westminster recently.

WORKER KILLED

YORK, Pa. (AP) — Charles Pyle of Rocks, Md., remained in serious condition at York Hospital Wednesday as a result of landslide in which another man was killed.

The slide Tuesday took the life of Angelo Gemellaro, 58, of Monks, Md. Pyle, 38, suffered a compound fracture of the left leg, a fractured right arm and possible internal injuries.

A little skidding goes a long way—towards disaster.

ASK CHECK ON WILSON PURDY

WILKES-BARRE, Pa. (AP)—The state president of the Fraternal Order of Police has asked that the state legislature investigate state police commissioner E. Wilson Purdy to determine if Purdy is "capable of handling the job."

John J. Harrington made the demand last night at a meeting of Lodge 42 at nearby Pringle.

Harrington urged all state Fraternal Order of Police lodges to contact state representatives and senators to push the suggested probe of Purdy.

He said Gov. Scranton, in July 1962, at Erie, had promised there would be no unnecessary transfers in the state police.

Some 85 state troopers recently have been shifted, against their wishes, Harrington said.

He added that this caused low morale in the ranks. Harrington also suggested that a meeting with Gov. Scranton, Purdy and Fraternal Order of Police representatives may resolve some of the current problems in trooper ranks.

Brandywine Halts Biggest Pipeline

TRENTON, N.J. (AP)—Work on the world's largest pipeline, stretching from Texas to New Jersey, has been stopped at Brandywine Creek in Pennsylvania by order of the Delaware River Basin Commission.

The Colonial Pipeline Co., which is constructing the 30-inch steel pipeline from Austin, Texas, to Linden, N.J., agreed to stop work at historic Brandywine Creek crossing Wednesday pending commission approval.

Work on the project was halted by the commission pending approval of safety precautions to prevent pollution of the Brandywine, principle source of water for the Wilmington, Del., metropolitan area.

GETS STEEL POSITION
PITTSBURGH (AP)—U. S. Steel Corp. said today Maxwell D. Millard has been appointed a sales vice president.

He will be responsible for the sale of iron ore, ferro manganese, stone, slag, coke, pig iron, road tar and cargo transportation on the Great Lakes and St. Lawrence Seaway.

Obey the signals, stay in line. The life you save may be mine.

FEAR MISSING MAN'S IN CUBA

PITTSBURGH (AP)—The family of a Pittsburgh diamond salesman missing in the Caribbean has asked Atty. James B. Donovan of New York for assistance.

Relatives of Richard Max Davis, 37, said Wednesday they want Donovan to look into the possibility that Davis is being held in Communist Cuba.

Donovan was the chief American negotiator in the exchange of Cuban Bay of Pigs invasion prisoners.

Davis has been missing since last Friday when he was last seen while cruising in a 12-foot outboard skiff about 75 feet off South of Cuba.

Coast Guard vessels and forces from the U. S. naval base at Guantanamo Bay searched the area but found no trace of Davis.

Coast Guard officials called off the search Wednesday, saying Davis was presumed lost.

Green's Son Is Backed For Post

PHILADELPHIA (AP)—The nine ward leaders in the fifth U.S. Congressional District by a 5-4 vote Wednesday night endorsed William J. Green III to run for the unexpired term vacated by the death of his father.

Green was opposed by State Rep. Joseph Ellberg. Mayor James H. J. Tate, who had earlier proposed his former aide, Louis Johnson, supported Ellberg.

Young Green had the support of new city Democratic Committee Chairman Francis R. Smith. Smith was named to head the city committee to succeed the late Rep. William J. Green Jr.

Observers said the ward leaders did not settle the question of who they will back for the Democratic nomination for a full two year term. Young Green, a senior law student, was endorsed to run only for the term expiring in January, said observers.

at a grade crossing near Titusville Wednesday, killing the auto driver.

Authorities said Anson C. Small, 51, of the small Crawford County community of Newfistown was travelling alone.

IKE WON'T BE GOP DELEGATE

WASHINGTON, Pa. (AP)—Former President Dwight Eisenhower has declined Gov. Scranton's invitation to become a delegate to the Republican presidential convention in July. Scranton told a news conference here Wednesday night that he had telephoned Eisenhower Wednesday morning at his vacation home in Palm Springs, Calif.

According to the governor, Eisenhower said he was flattered at the request but could not accept since he had other commitments at the time.

Scranton was in this southwestern Pennsylvania community for a dinner celebrating Republican victories in last November's general election.

He said he will continue to strive for a Pennsylvania convention delegation that will be uncommitted to any candidate when it goes to the presidential confab in San Francisco.

PITTSBURGH (AP)—Burglars have been blamed for a \$75,000 fire at a paper warehouse on Pittsburgh's North Side.

Joseph P. Fay, chief of the Pittsburgh Fire Prevention Division and Arson Section, said the blaze Wednesday was definitely a case of arson.

2 DECISIONS HANDLED DOWN BY HIGH COURT

PHILADELPHIA (AP) — The Pennsylvania Supreme Court has ruled that the nomination certificate for William H. Prosser, Republican candidate for mayor of Altoona in last November's elections, was all right although it was filed with less than the required 55 days to go before the election.

In other action Tuesday, the court also upheld an award of \$67,100 to G. David Thompson, a Pittsburgh art collector, for damage to nine paintings stolen from him and later recovered, and was asked to settle a dispute over heating by electricity or oil in a proposed new county home in Lebanon County.

In the Altoona case, the Supreme Court upheld a decision of the Blair County common pleas court saying that the nomination was in harmony with the objectives of the election code.

ART CASE APPEALED

The Democratic county committee brought the appeal, arguing that the petition was not filed within the prescribed time.

Prosser was designated a substitute candidate on Sept. 17 for Roy F. Thompson who withdrew on Sept. 3 and Robert Smay, who withdrew on Sept. 13. He filed a substitute nomination certificate on Sept. 18, 48 days before the Nov. 5 election.

The Pittsburgh art case came to the supreme court on an appeal by Insurance Co. of North America.

After the nine paintings were stolen from Thompson, the insurer, \$189,000, the value specified in his policy.

At that time the insurance company "secured a release from any further liability in connection with the paintings." The release also provided that if the paintings were recovered Thompson could recover them upon repayment of the \$189,000 less "the amount of such depreciation and/or the cost of restoration" of the paintings.

The paintings eventually were recovered and Thompson and the insurance company disagreed on the amount of the \$189,000 he should return.

MORE EXPERIENCE

In the Lebanon County case, two taxpayers, Martin N. Shuey and Howard O. Stouffer filed suit contending that heating the proposed county home with electricity would be more expensive than heating with oil.

They asked the Lebanon County Court of Common Pleas en-

join the county commissioners from awarding a contract for use of electricity. They said it was the duty of the county court to see that the commissioners acted in the interests of economy and efficiency.

The case reached the State Supreme Court on a writ of certiorari, which is a calling up of the records from a lower court.

Shuey and Stouffer, also acting as representatives of the Property Owners Association of Lebanon County, contended the decision to use electricity to heat the county home was based on erroneous information.

UNDER ADVISEMENT

The county asked the Supreme Court to hear the arguments because of urgency. The county said the lowest bid for the job will expire before the lower court could decide the issue. The expiration date is Jan. 16. The county said the lowest bid is \$75,000 below the architect's estimates.

The county commissioners, Henry H. Mark, Herbert W. Markey, and R. Dewey Shaak, said the plaintiffs complaint does not set forth a cause of action. They asked for it to be dismissed.

Dist. Atty. Paul Rhodes said if the case is not quickly settled the county will lose the bids which it thinks are favorable. The Supreme Court took the matter under advisement.

WILL GET TEN LASHES FOR \$4 ROBBERY

WILMINGTON, Del. (AP) — Attorneys for a 40-year-old man are expected to appeal his sentence to a public whipping of 10 lashes set for Jan. 28.

Judge Stewart Lynch of Superior Court set the date of sentencing Tuesday for Talmadge R. Balsar, but reduced the sentence from 20 lashes. The State Supreme Court ruled in November that the original sentence was not valid because Lynch did not set a specific date for the whipping as required by law.

Lynch originally ordered Balsar to be whipped on the first secular day after the U. S. Supreme Court ruled on an appeal by Franklin W. Cannon from a whipping sentence imposed by Lynch.

In an appeal brought by Cannon, the State Supreme Court has ruled that whipping is not unconstitutional under either the state or federal law.

Balsar, convicted of a \$4 robbery, was sentenced originally to the 20 lashes plus 25 years in prison on March 17, 1963. The prison sentence was reduced on Tuesday to 15 years.

Goldwater Is Cheered In N.H.

CONCORD, N.H. (AP) — Sen. Barry Goldwater — saying he was encouraged and surprised by his reception in the nation's first primary state — hits the hand-shaking trail across southern New Hampshire Wednesday to press his bid for the Republican presidential nomination.

"I'm very, very pleasantly surprised," Goldwater said Tuesday night as he completed the first day of his New Hampshire campaign.

He shook hundreds of hands, signed dozens of autographs — and urged his campaign workers not to let the battle for the nomination produce bitterness that would divide the Republican party next November.

"This is one of the most encouraging turnouts, one of the most encouraging experiences I've ever had," Goldwater told a standing-room-only crowd of campaign workers at the Concord Hotel.

CARTHAGE, Tunisia (AP) — A crowd of Tunisians cheered Tuesday when a street of this ancient town was named after the late President Kennedy.

The Rue Eshmoun, the puny god of help and rescue, became Rue Kennedy in a brief ceremony at which Cultural Minister Chedly Klibi presided.

JFK MEMORIAL IN HOLY LAND IS ANNOUNCED

PHILADELPHIA (AP) — A committee of men and women of the Catholic, Protestant and Jewish faiths is planning an international memorial in the Holy Land for the late President John F. Kennedy, it was announced Wednesday.

Plans call for the memorial to be made up of a lofty shaft similar to the Washington Monument and to be surrounded by a colonnade of 50 pillars representing each state, and a forest of several million pine trees.

The announcement was made by former Pennsylvania Gov. George M. Leader, who has accepted the general chairmanship of a Pennsylvania committee of men and women which will seek the funds for erection of the memorial.

Committees also are being organized in all of the states and in some overseas nations, said Leader.

The memorial will be erected on the heights of Jerusaleim, a few miles from Jerusalem.

Planned Bombing Against Paul VI

MILAN, Italy (AP) — Police arrested Franco Grassi, 45, Wednesday and said he claimed to have arranged to bomb the Milan cathedral to protest the pilgrimage of Pope Paul VI to the Holy Land.

Authorities said Grassi, a Milan resident, also was involved in the 1947 theft of Benito Mussolini's body by a group of diehard Fascists.

The Gothic cathedral was searched before dawn but no bomb was found.

Authorities did not say why Grassi objected to the papal pilgrimage. Pope Paul was archbishop of Milan before he was elected Pope last June.

Police gave no details on Grassi's alleged role in the theft of Mussolini's body.

FCC APPLICATIONS
WASHINGTON (AP) — Pennsylvania applications on file with the Federal Communications Commission include:

Carlisle, Pa. — WHY-FM, transfer of control from Marion Park Lewis, individually and as trustee, to Mid-Atlantic Network, Inc.
Waynesboro, Pa. — WAYZ-FM, transfer of control from Marion Park Lewis, individually and as trustee, to Mid-Atlantic Network Inc.

MOVE CYPRUS BARRICADES

NICOSIA, Cyprus (AP) — Roadblocks started coming down in battle-torn Cyprus Wednesday but the Greek and Turkish communities mostly eyed each other from a safe distance.

Under an agreement announced Tuesday, both sides undertook to dismantle the barbed wire barricades and withdraw squads of armed men who had been posted on boundaries between Nicosia's Greek and Turkish sectors since the recent communal strife.

The principal object of the agreement was to restore freedom of communications and the transport of essential supplies in the island. But there seemed little likelihood of large-scale resumption of intermingling between the communities. Leaders of both communities appealed to their followers not to venture too soon across the boundary lines.

Syracuse sophomore Dave Bing scored 41 points in a basketball scrimmage against Holy Cross recently. He is 6-foot-3 and comes from Washington, D.C.
